('AIRD's Celebrated Patent Corn and Bunion Plaster .- " Many thousands of bona fide successful cures have at length fairly established the unrivalled virtue of this famous Plaster, being in simple truth what is here stated, viz., a certain remedy, speedy and safe, and giving rise to no trouble or inconvenience. By its use instantaneous and perfect ease is obtained; from its extraordinary virtue of destroying the sensibility of the Corn and Bunton (even whilst undergoing pressure), and producing a complete removal of all Callosities, whether Corns, Runions, Enlarged Great Toe Joints, Warts, or experescences of any kind. It entirely differs in its mode of action from any other Solvent or Plaster, as by its marvellous chemical virtue it at once removes all pain, and causes the Corn to become dead and detached from the surrounding flesh, thus performing a painless and radical oure."
