The family comprises seven persons, the youngest being somewhere about 13 years of age, all of whom are alike affected. We learn from Dr. Dow, that the father, in answer to inquiries, said, that on Tuesday last at 12 o'lock, they heard delightful music, which was followed by the sound of a trumpet. That immediately after the second sound, they one and all entered into the second heaven, where they have ever since been, and are enjoying perfect peace and happiness; that they neither hunger nor thirst, and never expect to again, and have not partaken of food from that time to the present. Having no further use for the products of their fields, they turned the cattle into them, and permitted them to destroy the crops. This story, from beginning to end is corroborated by the other mem bers of the family. The authorities have taken the matter in hand; on Friday the father and eldest son were brought to town and lodged in goal, and the former was sent down to the Asylum on Saturday morning. It is believed that it will be found necessary to send the entire family there, that they may receive such treatment as their case require. We sincerely trust this apparent aberration of mind may be but temporary.

CLEANSE THE BLOOD.

WITH corrupt, or tainted Blood, you are sick all over. It may burst out in Pimples. or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure, AYER'S SARSAPARILLA purges out these impurities; it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of uplaints which are caused by impurity of the blood, such s Scrofula, or King's Evil, Tumors, Ulcers, Sores, Erupons, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or ysipelas, Tetter or Salt Rheum, Scald Head, Ring Yorm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it leanses the blood and cures these disorders. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsapa-parilla for one dollar. Most of these have been frauds upon e sick, for they not only contain little, if any, Sarsaparil-, but often no curative ingredient whatever. Hence, bitter disappointment has followed the use of the various ex-

racts of Sarsaparilla which flood the market, until the name has become synonymous with imposition and cheat. Still we call this compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by | 1 ne class of diseases it is intended to cure. We can assure e sick, that we offer them the best alterative we know low to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered. AYER'S CHERRY PECTORAL is so universally known to surass every other medicine for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to re-

old by all bruggists and dealers in medicine everywhere.
