Sharp, and very soon we hope that apples will be a regular article of export.

The *Victoria Colonist* V. I., of 23rd July, contains an account of a singular accident which resulted in the death of an old and esteemed citizen, Mr. John J. Pidwell. It appears that Mr. Pidwell, who was mounted on a powerful horse, started out on the road to Esquimalk, in order to meet a buggy containing despatches of importance, which were intended to go by San Francisco Steamer, then about to sail. The wind was blowing strong, and raising a cloud of dust; and just as he reached a point where two roads intersect, the buggy containing the dispatches turned the corner, and a collision occurred. The side of Mr. Pedwell's horse struck the pole of the buggy. The horse fell, throwing his rider with great violence, shattering his skull, so that death ensued shortly after.

Mr. Pidwell was formly a member of the Island House of Assembly, and at the time of his death, held important positions under the Government. He is represented as a man of great energy and ability; and his death will be severely felt in that community. We learn that he had many friends in these Provinces who will deeply sympathize with his family in their sad bereavement.

SAVE YOUR DOCTOR'S BILLS.—When Dr. Wistar's Balsam of Wild Cherry will *cure* coughs, colds, bleeding at the lungs, and arrest the fell destroyer, consumption, it does more than most physicians can do. A single trial will satisfy the incredulous.

TWO HUNDRED AND SEVENTEEN TOMATOES.—We saw in the garden of Mr. Fritze, this week 217 Tomatoes growing on one plant, all sound and full grown. Mr. F. having previously removed several small ones. The name of the plant is the *Early Prolific*. We believe the seed was procured from Geo. V. Rand, of this place.—*Wolfville Acadian.*

OTTAWA, Sept. 21.—The official Gazette to-day contains an order proroguing the Parliament of the Dominion until the 2nd of November. The Parliament of the Province of Quebec is prorogued until the 4th of November.

TORONTO, Sept. 23.—The reports prejudicial to the credit of the Commercial Bank are entirely unfounded; its notes are taken at all the banks at par.

☞ The Hon. Thomas D'Arcy McGee, has expressed his determination to abstain altogether from the use of intoxicating drinks.

☞ The servant girls of Troy have determined to contribute no more to the Fenian funds. Sensible, certainly.

A young Frenchman committed suicide last week at an hotel near the Rue St. Martin in Paris, by sticking about fifty pins into his breast. He left a letter behind him saying that his life had been one series of disappointments, and that as fate was killing him *a coups d'epingle*, he had determined on putting an end to his life in a manner which, he flattered himself, was absolutely original. He bled to death.

There is an editor out West who, when he is short of matter, sends out his paper with one side or page entirely blank, merely drawing his subscribers' attention to the fact by a note:—"This space will be very useful for the children to write upon."

BRITISH AND FOREIGN.

A cable special dated Manchester, 20th, A. M., says the city was quiet all night, but the police were vigilant to prevent the escape of prisoners. All avenues are watched. Several suspected parties were arrested; during the night, some were taken out of their beds. It is reported that Kenny was recaptured, but it is not confirmed. The outbreak completely surprised the most vigilant, and a strong force is being mustered to prevent further disturbance. One policeman is reported to have died last night. Several were badly injured and probably killed, but were carried off by the mob. It is impossible to ascertain how many were lost.

LONDON, Sept. 20.—Capt. Osborne, one of the Fenian prisoners, made his escape from the jail in Clonme last night. He was not recaptured at noon to-day, though the jail guards started immediately in pursuit. The police are searching for him in every part of the surrounding country, where it is supposed he is concealed.

The preparations of the party of action in Italy for a revolutionary movement on Rome are about completed, and it is rumored here that Sunday next has been fixed upon by Garibaldi as the day upon which the attempt is to be made.

Bismarck recently addressed a circular note to the diplomatic representatives of Prussia in regard to the conference of the Emperors Napoleon and Francis Joseph at Salzburg. The document has just been published, and is the principal subject of editorial discussion in English and continental newspapers. Bismarck says Prussia is willing to accept the representations made by France, that the conference at Salzburg should be regarded as a pledge of peace. He also made many allusions to the Union of the German States. London journals comment favorable upon this note, regarding it as pacific in tone and tranquil in its tendency.

PARIS, Sept. 20.—As the day for the annual statement of the account of the Credit Mobilier approaches, much disquietude is apparent in Bourse operations. The Credit Mobilier exercises a powerful influence upon monetary affairs in France.

MANCHESTER, Sept. 20.—Everything is quiet. The rioters appear to be satisfied with their success and there have been no more disturbances. No traces of the rescued prisoners Kelly and Deasy have been discovered, and it is thought that they have by this time succeeded in making their escape from the city. The name of the policeman killed by the mob was Pratt. Arrests continue to be made of persons who took part in the riot. Among those already in custody are two men named William Allan and Michael Larkin, who appear to have been the ringleaders in the onslaught on the police. They are charged with murdering policeman Pratt, and will be examined as soon as the excitement has subsided.

LONDON, Sept. 20.—A dispatch from Bradford reports that Kelley and Deasy were seen in that city this afternoon, but the police, though immediately on the alert, failed to arrest them, and they have again disappeared.

FLORENCE, Sept. 22.

Gen. Garibaldi has issued a stirring address announcing that the time has now come to overthrow the tyranny of the Pope, restore Rome to Italy, and give the eternal city its ancient supremacy, as the capital of the Italian nation. A proclamation has also been promulgated by King Victor Emanuel, warning all Italians against taking part in or aiding or abetting a revolutionary movement against Rome, which is denounced as a crime against the laws of Italy and of nations. The proclamation concludes with a trust that the Government will not fail to visit with vigorous punishment all persons found engaged in illegal hostilities against the papal authority.

LONDON, Sept. 22.—A despatch from Rome states that the Pope has publicly denounced the sale of church lands in Italy, and declared the decree of the Italian Government to that effect to be null and void.

LONDON, Sept. 23.—The regular session of the Parisian Anglican Synod commences this week at the Arch Episcopal Palace at Lambeth. It is understood that the reporters of the newspaper press will not be permitted to be present at the deliberations of the Synod.

MANCHESTER, Sept. 23.—The funeral of policeman Brett, who was killed by the mob on Friday, took place to-day and was largely attended by citizens.

FLORENCE, Sept. 23.—Garibaldi has made his appearance at Arezzo, forty miles from this city.

LONDON, Sept. 24.—It is rumored that Kelly and Deasy sailed from Liverpool on one of the Atlantic steamer for the United States on Saturday.

A special commission will soon assemble in Manto try the parties in jail there charged with taking part in the riot.

An unfortunate conflict occurred in the streets of Limerick yesterday, between the people and the troops. The latter fixed bayonets and charged upon the crowd. Eight persons are reported to have been wounded and one man killed. The conduct of the troops is condemned.

FLORENCE, Sept. 23.—The Roman Gozernment is taken precautionary steps to guard against an attack from without, or a sudden rising within the city.

All the Pontifical troops are being withdrawn from outlying points in the Provinces of Civita Vecchia, Viterbo, and Velletri, and concentrated in and around Rome. The Government is sending troops to the frontier of the Roman Territory. Despatches from Rome state many arrests have been made of parties suspected to be in correspondence with Garibaldi and his followers.

UNITED STATES.

President Johnson is not making many friends. Every act of his but makes him more unpopular. The amnesty proclamntion, which has been long expected, has at length made its appearance; and it is everything else but satisfactory, judging from the tone of the American press. It grants pardon to all parties connected with the late rebellion, excepting "the President and Vice President of the late Confederacy, persons who held Confederate commissions abroad, all officers above the rank of Brigadier General, and all persons who maltreated Union prisoners or participated in the assassination of President Lincoln." In the pardon granted is included "the restoration of all privileges." Some contend that this grants the right to vote, &c.; others that it does not. He appears to be still dissatisfied with a portion of his Cabinet, and rumor speaks of more removals being contemplated, Secretary Seward being one of the number to be removed. Rumor also says that he has sent for Gen. M'Lellan, who is abroad, to return, probably that he may fill some position of trust. The course pursued by the President is bringing down upon him the indignation of the American people, and is evidently hastening his impeachment.

NEW YORK, Sept. 23

BOSTON, Sept. 24.

Funeral obsequies were held this forenoon over the remains of Sir Frederick Bruce in Trinity Church on Summer street. The attendance was large and embraced a large number of our English citizens.

The services were conducted by Rev. Dr. Potter in the absence of Bishop Eastburn, nearly all the Boston Episcopal Clergy being present in their robes.

We have received a despatch which states that H. B. M. steamer *Gannet* has been ordered from Halifax to Boston to convey the remains of Sir Frederick Bruce to England.

WILMINGTON, N. C., Sept. 24.

Schr. Parading, from Halifax for Charleston, with a cargo of salt, went ashore on Cape Lookout Shoals on Sunday. Crew saved. The vessel and cargo are a total loss.

A WONDERFUL REMEDY.—Notwithstanding it has never had the advantage of newspaper publicity, it has yet acquired a higher and more extended popularity than any other similar compound. We refer to Johnson's Anodyne Liniment.

They do not cramp or rack the delicate frame or weak constitution, but will be found particularly useful in stimulating the weakened and distempered parts into healthy action. Use Parsons' Purgative Pills.

At Carleton, on the 13th instant, of whooping cough, William Steadman, only son of Wm. and Rachel Porter, aged 1 year and 11 days.

The little flower is picked and gone,
And in a moment fled;
And when his years were just begun,
Was numbered with the dead.

On the 12th instant, Robert B., aged nine months and six days, infant son of Solomon B. and Elizabeth J. Correy, of this city.

As vernal flowers perfume the morn;
But wither in the rising day,
Thus lovely was this infant's dawn,
Thus swiftly fled its life away.

It died before its infant soul
Had ever burned with wrong desires;
Had ever spurned at heaven's control,
Or even quenched its sacred fires.

It died to sin, it died to care;
But for a moment felt the rod;
Then rising on the viewless air,
Spread its light wings and soared to God.

On the 6th instant, Andrew Kinghorn, in the 59th year of his age, leaving 2 sons and 1 daughter to mourn their loss.

On the 24th instant, after a lingering illness, Elizabeth T., beloved daughter of Josiah and Elizabeth Adams, aged 19 years and six months.

At Newcastle on the 30th ultimo, aged 38 years, Mrs. Jane, beloved wife of Mr. Benjamin Bailey, and eldest daughter of Mr. John McVicker. Our departed sister was a member of the First Range Church. Her end was peace. We would just say of our departed Sister Bailey, her every day walk was a marked example of a true child of God, and we have no doubt she "rests from her labours." Mrs. Bailey leaves a husband and seven children, with a large circle of friends to mourn her departure.

H. A. CHARLTON.

☞ All orders from the Country, where we have no Agent, should be addressed,

CHARLES A. BOVEY,
General Agent,
may 31. 10 and 12 Nelson Street.

TO THE ELECTORS OF KING'S COUNTY.

GENTLEMEN—Having been unanimously chosen at the Convention held at Hampton, on the 24th instant, as a Candidate in the coming Election for the seat in the Local Legislature, vacated by Mr. Ryan, I place my services at your disposal.

Should you elect me as one of your representatives, I will serve you faithfully to the best of my ability, and give to such measures of progress and reform as I think will be conducive to the best interests of the Province my hearty support. I am, Gentlemen, respectfully yours,

Sussex, K. C., Sept 27. GIDEON McLEOD.

TO THE ELECTORS OF YORK COUNTY.

GENTLEMEN—I shall be a Candidate for the vacant seat in the Local Leislature of this County.

Having an interest in the welfare of the County, and my interest identified with your own, should you honor me with your confidence, I shall at all times be ready to give my support to all measures that would in any way tend to advance the several interests of this my native County and the Province of New Brunswick in general. I am aware that strict economy should be the motto of every man representing our interests in this country at this particular time, entering, as we are upon a new Era in our Political History. We should try at least to live within our means.

My duties, if elected, are all in the future. As they present themselves to me, I shall endeavour to discharge these duties in such a manner as will tend to make our position better.

I shall deal with governments just in accordance with their measures when brought forward.

Fredericton, Sept 27. JOHN PICKARD.

TO THE ELECTORS OF THE CITY OF SAINT JOHN.

GENTLEMEN—I ask your votes as a Candidate for the Local Legislature, a vacancy having been made by the acceptance of the office of Attorney General by Mr. A. R. Wetmore, one of the late representatives of this city.

The consistent course pursued by me in the many political contests that have taken place in this City and County since the year 1848, and which have resulted in securing to the people of this Province the benefits of Free Government, will, I feel assured, secure for me the confidence and support of all political parties.

The question of Confederation being settled, will not be a subject for discussion in the Local Legislature, and it will, therefore, be the duty of your representatives to turn their attention to those subjects which affect the people of this Province, in the economical adjustment and administration of their local interests.

I shall advocate the abolition of the office of Solicitor General, the consolidation of the offices of the Chairman of the Board of Works and Surveyor General, the uniting in one the offices of Provincial Secretary, Receiver General and Province Treasurer, the duties of which can be performed by a Financial Secretary residing in this City; it is also my opinion that the reduced duties devolving on the Local Legislature will justify a reduction of the number of representatives.

My views regarding Reorganization, Retrenchment and Reform, which I make my motto, will, I believe, secure a saving of at least ten thousand dollars annually, which can be applied to Schools, Roads and Bridges.

Gentlemen, your votes will enable me to secure to you the reforms above named, and I think my past political consistent conduct will be a sufficient guarantee that I will not deceive you.

The Sheriff has announced that the nomination day, for the single election, will be Monday, the 30th of September, and that the election will be held on Friday, the 4th day of October. I remain, yours, etc.

Sept 26. GEORGE STYMEST.

TO THE ELECTORS OF THE CITY AND COUNTY OF ST. JOHN.

GENTLEMEN—At the coming election, consequent upon the resignations of Messrs. Wilmot and Gray, I shall be a Candidate to represent the City and County of Saint John, in the Local Legislature of New Brunswick.

Should I receive a majority of your votes, I will endeavour to discharge the varied duties of a Legislator in such a manner as will advance the interests of this City and County, conduce to the prosperity of the whole country, and promote the contentment of the people.

I am, gentlemen, respectfully yours,

Sept 5. EDWARD WILLIS.

TO THE ELECTORS OF THE CITY AND COUNTY OF ST. JOHN.

GENTLEMEN—I shall, at the coming Elections, be a Candidate for the representation of the City and County of Saint John in the General Assembly of this Province.

Should you honor me with your confidence, I shall strive faithfully to discharge the varied duties of a representative. Your obedient servant,

Sept 5. GEORGE E. KING.

TO THE ELECTORS OF THE CITY OF ST. JOHN.

GENTLEMEN—A vacancy in the representation of this City in the Local Legislature having occurred through the resignation of the Hon. S. L. Tilley, I will have the honor to present myself for your suffrages to fill the seat so vacated, on the day of Election. I am induced to adopt this step through the solicitations of many of my fellow citizens.

If I am honored with your confidence, I shall endeavor to perform the duties devolving upon me so as to promote the welfare of the City and the general interests of the Province at large; at all times giving all subjects for legislation my best consideration, and dealing with all classes in a fair, honest and impartial manner.

Your obedient servant,

Aug 30. W. H. A. KEANE.

TO THE ELECTORS OF THE CITY OF ST. JOHN.

GENTLEMEN—I shall be nominated as a Candidate at the forthcoming election for the purpose of representing you in the Local Legislature.

Should you return me as one of your representatives, my best efforts shall be given to serve you faithfully and impartially. Your obedient servant,

Aug 24. JOS. P. TAYLOR.

TO THE ELECTORS OF THE CITY OF SAINT JOHN.

GENTLEMEN—I have the honor to solicit your suffrages as a Candidate for the representation of the City of St. John in the Provincial House of Assembly.

It is unnecessary to express opinions here upon subjects beyond the jurisdiction of the Local Legislature; and of the subjects within such jurisdictions, no discussions having yet arisen, it would be difficult, if not impossible, to anticipate the opinions discussions might induce.

You are aware that the new Federal Constitution greatly shortens the power of the Local Legislatures; but changed as these are, they yet remain the close residences of the people's liberties; and your representatives will do well if they cannot legitimately increase, jealously to guard the remaining functions of your Local Government.

If it should come within the province of the Local Government to promote the more perfect union of our fellow subjects throughout the United Provinces, and you should honour by electing us, I would cordially assist in a work so meritorious.

I could only promise in addition, as occasion offered, to do what I should think right under the existing circumstances. Yours respectfully,

Aug 29. J. R. MACSHANE.
