CLEANSE THE BLOOD.

WITH corrupt, or tainted Blood, you are sick all over. It may burst out in Pimples M. or Sores, or in some active disease, or it may /merely keep you listless, depressed and good for nothing. But you cannot have good

health while your blood is impure. Ayer's SARSAPARILLA purges out these impurities ; it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or | bags Cocoa Nuts. Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female | Pickles. Diseases, such as Retention, irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsapa-parilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative ingredient whatever. Hence, bitter disappointment has followed the use of the various exracts of Barsaparilla which flood the market, until the name has become synonymous with imposition and cheat. Still we call this compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for beheving it has virtues which are irresistible by class of diseases it is intended to cure. We can assure the sick, that we offer them the best alterative we know how to produce, and we have reason to believe, it is by far

the most effectual purifier of the blood yet discovered. AVER'S CHEURY PECTORAL is so universally known to sur-
