RAYMOND'S

Family Sewing Machine. THIS convenient little Machine has been manufactured and sold in Canada, with slight improvements from time to time, for more than five years past, and has also been exported in large quantities to England and Germany ; but has never been introduced into these Lower Provinces until by the undersigned Agents within the past few months, and is therefore not to be mistaken for other small Ma-chines of an inferior kind. This Machine is equally adap-ted to all kinds of family work, fine or coarse. The machinery is strong and the work durable. It is very easily inderstood and managed, on account of its simplicity; with the printed instructions, any one of ordinary capacity can learn its use without other aid. It is not liable to get out of order. It has all the latest improvements. We warrant the Machine to do all that is promised for it. In case of damage by accident or otherwise, repairs will be effected at reasonable charges. Cash orders by mail attended to as promptly as possible, and the Machines pack-ed with care. All appurtenances included in the above price. From numerous testimonials in hand, we select the few following :

"Taking all things into account, is is undoubtedly the best Machine for family use. Its cheapness, combined with its efficacy, makes it the Sewing Machine for the Million.----After some months' trial, it is only justice to say, that it has far exceeded our expectations, and proved itself an efficient Machine for all ordinary purposes."-Canada Farm r.

The neatness, strength, and durability of the Sewing is attested by such parties in Toronto and Montreal as-Mrs. Ryerson-Rev. E. Ryerson, D. D., Chief Sup't. of Schools for Canada West; Mrs. Porter-Rev. J. Porter, Sup't. of Toronto City Schools; Mrs. Jennings-Rev. J. Jennings, D. D.; Mrs. Nickson-Rev. A. Nickson, LL. D.; Mrs. Lesslie-Jos. Ogilvy, Esquire, Wholesale Merchant; with many others in these places and in nearly all parts of Canada, particularly the West .--We append also a few local Testimonials :--

recorded in the London papers, which illustrates in a Ritualism. An Irish laborer, in an English town they pay follows the amount paid. where Ritualism had obtained a pretty firm foothold, was seeking a priest to whom to confess, and seeing the church door open went in. He there found a elergyman, looking for all the world like a priest of the true persuasion, and expressed his desire to unreceived the poor fellow's confession, and gave him his blessing. But something in the form used excited the Irishman's suspicions, and on making inquiries he discovered the true character of the man to whom he had confessed. Boiling over with rage, he sought redress at law; but finding there was no remedy to be had by this means, he threatened to have it out on the Rev. gentleman's back. At last accounts he was waiting for a good chance to carry out his intentions, and the irreverent press of Eng- held at the Church at Harmony, Queen's County, land was making merry over the trap into which the Ritualistic parson had ran his head. The moral of the story is obvious. -- Exchange.
