TO THE ELECTORS OF THE CITY OF ST. JOHN.

GENTLEMEN-A vacancy in the representation of this City in the Local Legislature having occurred through the resignation of the Hon. S. L. Tilley, I will have the honor to present myself for your suffrages to fill the seat so vacated, on the day of Election. I am induced to adopt this step through the solicitations of many of my fellow-

If I am honored with your confidence, I shall endeavor to perform the duties devolving upon me so as to promote the welfare of the City and the general interests of the Province at large ; at all times giving all subjects for legislation my best consideration, and dealing with all classes in a fair, honest and impartial manner. Your obedient servant,

W. H. A. KEANS. Ang Sa. TO THE ELECTORS OF THE CITY OF ST. JOHN.

ENTLEMEN-I shall be nominated as a Candidate at Ing you in the Local Legislature.

Should you return me as one of your representatives, my hest efforts shall be given to serve you faithfully and Your obediant servant, impartially. JON. P. TAYLOR.

Aug 22. TO THE ELECTORS OF THE CITY OF

SAINT JOHN.

A ENTLEMEN-I have the honor to solicit your suffraof ges as a Candidate for the representation of the City of St. John in the Provincial House of Assembly. It is unnecessary to express pinions here upon subject-

beyond the jurisdiction of the Local Legislature ; and o the subjects within such jurisdictions, no discussions hav ing yet arisen, it would be difficult, if not impossible, to anticipate the opinions discussions might induce. You are aware that the new Federal Constitution greatly

horitons the power of the Local Legislatures ; but changed as these are, they yet remain the chief residences of the people's liberties ; and your representatives will do well i they cannot legitimately increase, jealously to guard the remaining functions of your Local Government.

If it should come within the province of the Local Goverament to promote the more perfect union of our fellow subjects throughout the United Provinces, and you should honour by electing me, I would cordially assist in a work so meritorious.

I could only promise in addition, as occasion offered, to do what I should think right under the existing circum-Yours respectfully, stances.
