TO THE ELECTORS OF KING'S COUNTY. ENTLEMEN-At the solicitation of a large number of I influential freeholders I have been induced to offer myself as a Candidate for the representation of King's

County in the House of Commons. As I intend at the earliest possible period to address meetings to the several Parishes, I do not deem it necessay at present to give any expression of my views, further han to state that I shall feel bound to give the existing Inion a fair trial, and use my best endeavours to make it conducive to the prosperity of the Province and Dominion, Should you deem it expedient to entrust your political nterests to my keeping, I shall serve you to the best of my judgment and ability. I am, gentlemen, Your obedient servant,

Sussex, K. C., July 17. J. E. B. McCREADY. TO THE ELECTORS OF KING'S COUNTY. Y ENTLEMEN-I intend to offer myself as a Candidate Commons at Ottawa. The question of Confederation baying been submitted to the people of this Province, who have decided in its favour by a large majority, I deem that matter constitutionally settled; and the act of Union having become the law of the land, it is the duty of every man, who respects the Queen and our Constitution, to yield a cheerful obedience to the existing order of things. The new representation should allow the Dominion a fair trial, and by unanimity of political action endeavour to realize the benefits to this Province which the promoters of the Union have so confidently predicted. Should I be honored by a majority of your votes, I would not support any measure adverse to the Union, unless the constituency, after convincing proof of the inefficiency of its working, should desire an improvement in the federation by Constitutional means; this, the people must hereafter decide. In the meantime, I would endeavour to co-operate with those who desire to benefit the County by taking advantage of the means offered by the establishment of the New Dominion, o promote the progress and prosperity of this Province In my previous political career (though short) I think I

NENTLEMEN-I have the honor to solicit your suffra-T ges as a Candidate for the representation of the City of St. John in the Provincial House of Assembly. It is unnecessary to express opinions here upon subjects beyond the jurisdiction of the Local Legislature; and of the subjects within such jurisdictions, no discussions having yet arisen, it would be difficult, if not impossible, to aticipate the opinious discussions might induce. You are aware that the new Federal Constitution greatly shortens the power of the Local Legislatures; but changed as these are, they yet remain the chief residences of the people's liberties; and your representatives will do well if they cannot legitimately increase, jealously to guard the remaining functions of your Local Government.
