TO THE ELECTORS OF KING'S COUNTY. GENTLEMEN-I intend to offer myself as a Candidate for your suffrages at the forthcoming Election, for ne representation of King's County, in the House of Commons at Ottawa. The question of Confederation having been submitted to the people of this Province, who have lecided in its favour by a large majority, I deem that matter constitutionally settled; and the act of Union having become the law of the land, it is the duty of every man, who respects the Queen and our Constitution, to yield a cheerful obedience to the existing order of things. The new representation should allow the Dominion a fair tricl. and by unanimity of political action endeavour to realize the benefits to this Province which the promoters of the Union have so confidently predicted. Should I be honored by a majority of your votes, I would not support any measure adverse to the Union, unless the constituency, after convincing proof of the inefficiency of its working, should desire an improvement in the federation by Constitutional means; this, the people must hereafter decide. In the meantime, I would endeavour to co-operate with those who o promote the progress and prosperity of this Province. In my previous political career (though short) I think I have not torfeited my claim to consistency and independence of action, and trust, should I be elected, to retain that onfidence which I flatter myself my friends have heretoore reposed in me.

Hampton, K. C., July 12.

TO THE ELECTORS OF KING'S COUNTY. GENTLEMEN-At the solicitation of a large number of influential freeholders. I have been induced to offer myself as a Candidate for the representation of King's County in the House of Commons. As I intend at the earliest possible period to address meetings to the several Parishes, I do not deem it necessay at present to give any expression of my views, further han to state that I shall feel bound to give the existing Union a fair trial, and use my best endeavours to make it conducive to the prosperity of the Province and Dominion. Should you deem it expedient to entrust your political nterests to my keeping, I shall serve you to the best of my

udgment and ability. I am, gentlemen,
Your obedient servant,

Family Sewing Machine. THIS convenient little Machine has been manufactured

and sold in Canada, with slight improvements from time o time, for more than five years past, and has also been exported in large quantities to England and Germany; but has never been introduced into these Lower Provinces until by the undersigned Agents within the past few months, tion on the following terms :- Board, Light, Fuel, Washing | and is therefore not to be mistaken for other small Machines of an inferior kind. This Machine is equally adaped to all kinds of family work, fine or coarse. The ma chinery is strong and the work durable. It is very easily understood and managed, on account of its simplicity; with the printed instructions, any one of ordinary capacity can learn its use without other aid. It is not liable to get out of order. It has all the latest improvements. We warrant the Machine to do all that is promised for it. In case of damage by accident or otherwise, repairs will be effected at reasonable charges. Cash orders by mail attended to as promptly as possible, and the Machines packed with care. All appurtenances included in the above price. From numerous testimonials in hand, we select the few following:

"Taking all things into account, is is undoubtedly the best Machine for family use. Its cheapness, combined with its efficacy, makes it the Sewing Machine for the Million .-After some months' trial, it is only justice to say, that it has far exceeded our expectations, and proved itself an efficient Machine for all ordinary purposes."-Canada

The neatness, strength, and durability of the Sewing is attested by such parties in Toronto and Montreal as-Mrs. Ryerson-Rev. E. Ryerson, D. D., Chief Sup't. of Schools r Canada West; Mrs. Porter-Rev. J. Porter, Sup't. of Toronto City Schools; Mrs. Jennings-Rev. J. Jennings, D. D.; Mrs. Nickson-Rev. A. Nickson, LL.D.; Mrs. Lesslie-Jos.
