PAISLE

The Early Years of the Prince Consort, which was republished in the United States a short timesince, has given an insight into the domestic life o' England's royal family, which cannot fail to exert a healthful influence. In the Chicago Advance, Grace Greenwood furnishes some incidents connected with the same family, which may be read with profit. We make the following extracts :--

I heard several pleasant anecdotes of the Queen and her family from a lady who received them from sign her situation, feeling that to her mother she | deed," answered he, "it's the perseverance of the owed a more sacred duty than even to her sovereign. sinners that I oppose." "But that is not a satisfacto your mother, child; stay with her as long as she experiment !" be at rest about your pupils."

The governess went, and had several weeks of Burke. Perhaps it found expression in the seventh sweet, mournful communion with her dying mother; verse of the thirtieth chapter of Isaiah: "For the then, when she had seen that dear form laid to sleep Egyptians shall help in vain, and to no purpose; Saint John Building Society under the daisies in the old kirk-yard, she returned therefore have I cried concerning this, their strength to the palace, where the loneliness of royal grandeur | is to sit still." would have oppressed her sorrowing heart beyond WORKING CHEAP .- " What does Satan pay you endurance, had it not been for the gracious, woman- for swearing ?" asked one gentleman of another. ly sympathy of the Queen, who came every day to "He don't pay me anything," was the reply. her school-room, and the considerate kindness of her "Well, you work cheap, to lay aside the character young pupils. A year passed by ; the first anniver- of a gentleman, to inflict so much on your friends sary of her great loss dawned upon her, and she was and civil people; to suffer; and lastly to risk losing overwhelmrd as never before by the utter loneliness your own precious soul, and all for nothing, You of her grief. She felt that no one in all that great | cartainly do work cheap-very cheap indeed." household knew how much goodness and sweetness Benefit your friends, that they may love you still passed out of mortal life that day a year ago, or could more dearly ; benefit your enemies that they may begive with her one tear, one thought to that grave un- | come your friends.-Ex. der the Scottish daisies. Every morning before breakfast, which the elder children took with their ROBERT, THE STONE-THROWER. mother in the pleasant crimson parlor looking out on the terrace at Windsor, her pupils came to the school-room for a brief religious exercise. This church, "you grieve me exceedingly by throwing an indefinite number of Investors and Depositors, all havting the Scriptures for the day ; some words of tenderness were too much for her poor, lonely, grieving heart-her strength gave way, and, laying her head on the desk before her, she burst into tears, murmuring, "O, mother ! mother !" One after another the cern, she said, "I fear that something sad will hapchildren stole out of the room, and went to their mother to tell how sadly their governess was feeling ; and that soft-hearted monarch exclaiming, "Oh ! poor girl, it is the anniversary of her mother's death," hurried to the school room where she found Miss ---struggling to regain her composure. "My poor and whiist his mamma was dressing for dinner, he child," she said, "I am sorry the children disturbed threw several stones at the birds, one of which lamed you this morning. I meant to have given orders a pretty little sparrow, so that it could never fly that you should have this day entirely to yourself. Take it, as a sad and sacred holiday-I will hear the Although Robert's mamma did not see this act of to lessons of the children." And then she added : "To wicked cruelty and disobedience, He who said " not show you that I have not forgotten this mournful an- one of them (sparrows) is forgotten before God " did. niversary, I bring you this gift "--clasping on her O yes, God saw it; and let all disobedient boys and arm a beautiful mourning bracelet, attached to which girls who read this ever remember those solemn words was a locket for her mother's hair, marked with the of sacred Scripture, "Be sure your sin will find you date of that mother's death. What-wonder that the orphan kissed with tears that gift and the more than birds, dogs, donkeys, and horses, suffered from his nighly satisfactory results were shown :-royal hand that bestowed it ! This was Victoria fif- hard-hearted ways. Bad as this was, it is not the teen years ago, and I don't believe that she has mo- worst that I have to tell. It has been frequently obrally "advanced backward" since then. Another anecdote, illustrating Victoria's admirable men, and in not a few instances has it been found to good sense and strict domestic discipline, came to me be the case that those parents who have refused to directly from one who witnessed the occurence. One properly correct their offspring for acts of cruelty, day, when the Queen was present in her carriage at a military review, the Princess Royal, then rather a It was so in this instance. When Robert grew up wilful girl of thirteen, sitting on the front seat, seemed to be a young man he was noted for his wicked con- maintaining the ratio of its increase as stated in former years. disposed to be rather familiar and coquettish with duct. On one occasion, in a fit of passion, when his some young officers of the escort. Her Majesty gave several reproving looks, but without avail-" winked That father now lies in the churchyard. He died at her, but she would not stay winked." At broken-hearted. What earthly friend will continue length, in flirting her handkerchief over the side of ito love like a mother ? Long did Robert's mother the carriage, she dropped it—too evidently not acci-dentally. Instantly two or three young heroes the strength and spirits failed, and she, too, was laid in the silent tomb. sprang from their saddles to return it to her fair Whether Robert still lives or not, I do not know. £12,854 3s. 4d. These figures show a very rapid extension hand, but the awful voice of royalty stayed them. It is now several years since I saw him. He was of business during the last ten years. Thus :--"Stop, gentlemen !" exclaimed the Queen-" leave it then walking on crutches. His leg had been injured just where it lies. Now, my daughter, get down doctors, he was pronounced to be a cripple for life. from the carriage and pick up your handkerchief." As I looked upon him I thought of his boyhood, and There was no help for it. The royal footman let the stone which broke the poor sparrow's leg, and of down the steps for the little royal lady, who proceed- those impressive words of our Saviour, "With what ed to lift from the dust the pretty piece of cambric and lace. She blushed a good deal, though she tossed There would be fewer heart-broken parents in the her head saucily, and she was doubtless angry world if the counsels of the Wise Man were better enough ; but the mortifying lesson may have nipped attended to :--" Chasten thy son while there is hope." enough; but the mortifying lesson may have hipped in the bud her first impulse towards coquetry. It his son; but he that loveth him chasteneth him bewas hard, but it was wholesome. How many American mothers would have been equal to such a piece from the child."-Proverbs xxiii. 13 .- Children's of Spartan discipline?

RANDOM READINGS. NEVER ALONE. - A pious cottager residing in the centre of a long and dreary heath, being asked by a visitor, "Are you not sometimes afraid in your lonely situation, especially in the winter ?" replied : " Oh ! no, for Faith shuts the door at night, and Mercy

Chairman of the London Board .- SAMUEL BAKER, Esq. Chairman in Liverpool .- CHARLES TURNER, Esq. The Royal Insurance Company is one of the largest flices in the kingdom.

At the Annual Meeting held in August 1859, the following

#### FIRE DEPAILTMENT.

The most gratifying proof of the expansion of the busi-ness is exhibited in the one following fact—that the increase alone of the last three years exceeds the entire business of some of the existing and of many of the recently defunct fire insurance companies of this kingdom.

The Premiums for the year 1855 being......£130,060 While the Premiums for the year 1558 are .... 196,148 Showing an actual increase of ...... 66,088 or upwards of 50 per cent. in three years.

The recent returns of duty made by Government for this latter year (1858) again show the "Royal" as more than Only one among the London insurance offices exhibits an advance to the extent of one-half the increase of the Company, while all the others respectively fall far short of the nety of its advance.

### <sup>°</sup> LIFE DEPARTMENT.

The amount of new Life Premiums received this year is by far the largest received in any similar period since the amencement of the business, and must far exceed the average of amount received by the most successful offices in the kingdom. The number of policies issued in the year was 832, the sum assured  $\pounds 387,752$  6s. 8d., and the premium
