passed in Co.amittee without amendment. FREDERICTON, May 29. The following bills were read a second time :- To establish additional polling places in Carleton County; Bill in amendment of Act to establish City Hall, St. John ; Council's amendment to Woodstock Railway debentures bill.

Read a third time and passed :- Bills to increase capital of St. Stephen Bank; relating to bills, notes and choses in actions; to extend St. John Street; for improving the ferries in St. John Harbour; and relating to admission of Attorneys.

Dr. Dow brought in Bill relating to goal limits in York. Skinner moved House into Committee on Bill to amend Act relating to the Alms House. Postponed three months.

Bill to regulate the assessing of rates and taxes in St. John also postponed. Bill relating to vagrants and beggars in St. John was then taken up and passed without discussion.

Indiantown Fire Relief Bill passed. Carleton Street Bill authorising Corporation to borrow \$12,000 for improvement on Western Side Chandler brought in Bill to revive an Act relating

to the Poor House at St. Andrews. Stevens moved the House into Committee to consider his Bill to amend the Act taxing Wild Lands. Bill exempts lands not within three miles of some After remarks from several members, the Bill was

Tilley replied that much of the money at the debit of the Treasurers was really paid in a little too late for the report. In other cases the money was retained to pay Warrants. He believed with Young that the Board of Works should have the management of all the Roads of the Province. Thought the investigation would be beneficial.

McMillan said while \$1,200 was charged in the report as due by the Deputy Treasurer at Campbellton, the real balance now was only \$120. Williston made some explanations about the collec-

tion of debts due the Government. Smith referred to the matter of the Fredericton Fire Loan bonds, and held that the Government acted unwisely in compromising claims which might have been collected in full. He maintained that all bonds, lebts, &c., due the Province would be taken at the face to reduce the liabilities of the Province in the

Smith held that we had the same power to involve the Government of Canada in Railway matters as in the creation of Judges of County Courts which were

CLEANSE THE BLOOD,

WITH corrupt, or tainted Blood, you are sick all over. It may burst out in Pimples, or Hores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Area's SARSAPARILLA purges out these impurities; it expels disease and restores health and stimulates the organs of life nto vigorous action. Hence it rapidly cures a variety of complaints which are caused by imparity of the blood, such as Scrotula, or King's Evil, Tumors, Ulcers, Sores, Erupions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, King Worm, Cancer or Cancerona Tumors, Sore Eyes, Female Diseases, such as Retention, irregularity, Suppression, Whites, Sterility, also Syphilis or Veneveal Diseases, Liver Jourplaints and Heart Diseases. Try AYER'S BARSAPARILLA, eanses the blood and cures these disorders.

RAYMOND'S

Family Sewing Machine. HIS convenient little Machine has been manufactured and sold in Canada, with slight improvements from time to time, for more than five years past, and has also been exported in large quantities to England and Germany; but has never been introduced into these Lower Provinces until by the undersigned Agents within the past few months, and is therefore not to be mistaken for other small Machines of an inferior kind. This Machine is equally adapted to all kinds of family work, fine or coarse. The ma chinery is strong and the work durable. It is very easily understood and managed, on account of its simplicity; with the printed instructions, any one of ordinary capacity can learn its use without other aid. It is not liable to get out of order. It has all the latest improvements. We warrant the Machine to do all that is promised for it. In case of damage by accident or otherwise, repairs will be effected at reasonable charges. Cash orders by mail attended to as promptly as possible, and the Machines packed with care. All appurtenancea included in the above price. From numerous testimonials in hand, we select the few following :

"Taking all things into account, is is undoubtedly the best Machine for family use. Its cheapness, combined with its efficacy, makes it \$50 Sewing Machine for the Million .-After some months' trial, it is only justice to say, that it has far exceeded our expectations, and preved itself an efficient Machine for all ordinary purposes."-Canada

The neatness, strength, and durability of the Sewing is attested by such parties in Toronto and Montreal as Mrs. Ryerson Rev. E. Ryerson, D. D., Chief Sup't. of Schools or Canada West ; Mrs. Porter Rev. J. Porter, Sup't. o. oronto City Schools; Mrs. Jennings-Rev. J. Jennings, D.; Mrs. Nickson Rev. A. Nickson, L.L.D.; Mrs. Leas-Jos. Lesslie, Esq., Postmaster of Toronto; Mrs. Dr. Rolph; Miss Matthews, Dress Maker; Mrs. Pipon—Col. Pipon, Royal Artillery; Mrs. Ogilvy—J. Ogilvy, Esquire, Wholesale Merchant; with many others in these places and in nearly all parts of Canada, particularly the West .-We append also a few local Testimonials ;-

We, the undersigned, are using Raymond's Family ewing Machine in our family, and would concur in the remmendation of it by parties in Canada-Robert Patterson, Rogers' Hill, Pictou Co., N. S.

Patented February, 1867. ONE OF THE BEST PHOTOGRAPHIC IMPROVE-Photographic paper printing, it has always been a great desideratum to obtain an adhesive harmless substance as a medium for mounting Prints. Gum Arabie, Dextrine and other Guma have each had their day and have been rejected for various reasons. After great labour and expense we have succeeded in in-

venting and perfecting a purely Vegetable Gum of most

MOUNTING PRINTS.

extraordinary adhesive properties, containing no deleterious ingredients whatever. It is in every respect superior o Gum-Arabic for mounting prints. We beg to state it has the following advantages over every other Gum now in use in Photography 1st. It does not Sour, Mould, Ferment or Decay by Age. d. It dries very quickly and thoroughly. Brd. Its lightl color, perfectly white when applied to paper. 4th. It wil not injure the most delicate picture or color. 5th. It being sold in a liquid form saves all the trouble of boiling. 6th. being very thinly applied, makes a saving of fifty per cent. 7th. The mounted print is much more brilliant than with

any other tium. Many other qualities makes it the ne p'us ultra of adhesive Photographic tiums. One trial will convince all of the extraordinary properties of this Gum. BOBINSON BROTHERS. Prince Wm. Street.
