COLLEGE, Will open, after February 13, 1867, in RITCHIE'S BUILDING.

DESIGNED to Educate Young Men for Business Life. Branches taught in a practical manner by efficient

ness standing, with a remuneration which he could not otherwise command. The system is conducted on actual business principles, each student being supplied with cash and merchandise to the amount of one thousand dollars, with which he trades with the Merchants' Emporium College Bank, and also his fellow students. It is surprising how much is mastered in a few months.

Merchants' Emporium, Bank, and all other improvements for the well being of the student. Business Forms, Commercial Problems, in short, every difficulty met in Mercantile Life will be fully explained on the Blackboard. Our College has been successful for years in the West, and we can point to our students throughout the country doing Life Scholarships will be issued after the 14th Feb., 1867, at \$35 for full course, a discount of 10 per cent. will be al-
