The Queen is on a visit to the Continent. Her Maesty landed at Cherbourg on the 5th inst., and proeded immediately afterwards to Paris. She was received at the Paris Station by the Empress, and made a short stay at the Tuilleries. Her Majesty was, on Saturday, at Luzerne, in Switzerland. It is said that the Queen travels in a strictly private manner, under the title of the Duchess of Kent.

Mazatlan Affair .- The Times editorially says that ough the commander of the "Chanticleer" was sposed to considerable provocation, he should not dress through his government, otherwise headrong and intemperate commanders will always hold

the power of peace and war. Even the Spanish American States, insolent and brutal as they are, are entled to this treatment.

Jefferson Davis arrived in England on the 5th. At his approach on the Liverpool Exchange, he was loudcheered.

Lord Stanley and M. Moustier held a long conference in the Foreign Office in Paris on the 8th instant, during which questions involving the present and spective peace of Europe were fully discussed. It s said that Lord Stanley, on behalf of the British overnment, expressed a desire for the maintenance peaceful relations with all the powers on the Connt, and renewed expressions for the continuance of the present friendly relations with the Empire of family medicine ever invented. That's our experifrance. M. Moustier responded in a like manner; ence. and that while his Imperial Majesty, the Emperor

or other metallic Syrup cans, cocks, valves or slides are used, nausea is invariably the result, if the Syrup remain ong in contact with these metals. But in MATTHEWS's SYRUP and SODA WATES DRAUGHT APPARATUS, t e whole of the valve and Syrup chambers are of solid glass to the extreme outlet. The Syrups do not come in contact with any metal whatever. The Syrup, being thus contained en-tirely in glass, may remain any length of time in the apparatus, with the purity unimpaired. REFRIGERATING QUALITIES.

The whole of the Syrup chambers and valves to the extreme outlet are enclosed in the cooling chambers, so that the Syrup does not stand in, or run throug, warm metal cocks or slides before reaching the tumbler. The cooling surface of the Soda Water is greatly extending, and so arranged that the Ice acts directly upon it continually. Not only the Syrup and Soda Water, but the Tumblers also, ROBINSON BROS. are thoroughly cooled. 48 Prince William Street. Aug 6.

00 LUU OF DEATHS, that annually occur, are caused by Preventable

Diseases, and the greater portion of those complaints would, if Radway's Ready Relief or Pills (as the case may require,) were administered when pain or uneasiness or slight sickness is experienced, be exterminated from the system in a few hours. PAIN, no matter from what cause, is almost instantly cured by the Ready Relief. In cases of Cholera, Diarrhœa, Cramps, Spasms, Bilious Cholic, in fact all Pains, Aches and Infirmities either in the Stomach, Bowels, Bladder, Kidneys, or the Joints, Muscles, Legs, Arms, Rheumatism, Neuralgia, Fever and Ague, Headache, Toothache, &c., will in a FEW MINUTES yield to the soothing influence of the Ready Relief.

Sudden Colds, Coughs, Influenza, Diptheria, Hoarseness, Sore Throat, Chills, Fever and Ague, Mercurial Pains, Scarlet Fever, &c., &c., take from four to six of Radway's Pills, and also take a teaspoonful of the Ready Relief in a glass of warm water, sweetened with sugar or honey; bathe the throat, head and chest with Ready Relief, (if Ague or intermittent Fever, bathe the spine also,) in the morning you will be cured.

How the Ready Relief Acts!

In a few minutes the patient will feel a slight tingling irritation, and the skin becomes reddened; if there is much distress in the stomach, the Relief will assist nature in removing the offending cause,-a general warmth is felt throughout the entire body, and its diffusive stimulating properties rapidly courses through every vein and tissue of the system, arousing the slothful and partially paralyzed glands and organs to renewed and healthy action, perspiration follows, and the surface ci the body feels increased heat. The sickness at stomach, colds, chills, head-ache, oppressed breathing, the soreness of the throat, and all pains, either internally or externally, rapidly subside, and the patient falls into a tranquil sleep, awakes refreshed, invigorated, cured.

It will be found that in using the Relief externally, either on the spine or across the kidneys, or over the stomach and bowels, that for several days after a pleasing warmth will be felt, showing the length of time it continues its influence over the diseased parts.

Price of R. R. R. RELIEF, 25 cents per bottle. Sold by Druggists and Country Merchants. Grocers, &c.

> RADWAY & CO., 87 Maiden Lane, New York.

## TYPHOID FEVER.

This disease is not only cured by Dr. Radway's Relief and Pills, but prevented. If exposed to it, put one teaspoonful of Relief in a tumbler of water. Drink this before going out in the morning, and several times during the day. Take one of Radway's Pills one hour before dinner, and one on going to bed. . 3 If seized with Fever, take 4 to 6 of the Pills every six hours, until copious discharges from the bowels take place; also drink the Relief diluted with water, and bathe the entire surface of the body with Relief. Soon a powerful perspiration will take place, and you will feel a pleasant heat throughout the system .---Keep on taking Relief immediately, every four hours, also the Pills. A cure will be sure to follow. The relief is strengthening, stimulating, soothing, and quieting; it is sure to break up the Fever and to neutralize the poison. Let this treatment be followed, and thousands will be saved. The same treatment in Fever and Ague, Yellow Fever, Ship Fever, Bilious Fever, will effect a cure in 24 hours .----When the patient feels the Relief irritating or heating the skin, a cure is positive. In all cases where pain is felt, the Relief should be used.
