CAUTION! CAUTION! CAUTION

THE Proprietor of PICKSTONE'S WASHING AND CLEANSING CRYSTAL, deems it his duty to caution the public against spurious imitations of his highly celebrated Washing Crystal, which is the most harmless ompound extant. It is free from Lime, Vitriol, and all other deadly mixtures so common to be found amongst washing compounds. Try Pickstone's Washing Crystal, if you want ease, comfort, and economy in washing, which washes every thing, and has rapid sale.

It will be found invaluable for the following domestic rposes, viz.:-It washes all fine things, such as Muslin Lace, Crotchet Work, Baby Linen, &c,; cleaning Sponges, Combs, and Brushes; removing stains from the hands, and grease from Carpets, Cloth, Flannel, &c. It makes Hard Water Soft, and may be used with good effect in Baths, as t immediately removes all condensed perspiration from the skin. A small quantity should also be used in the foot pan. It forms a cooling and cleansing wash for the head, by dissolving a teaspnonful of the Crystal in a quarter o a pint of water; and for cleansing the Mouth, Teeth, and Gums, it is quite a luxury, by adding a teaspoonful to a tumbler of water. It renders linen beautifully white, and unlike other preparations, at the same time preserves the

fabric. It contains nothing injurious to life. A child eating it by mistake, will not be injured. If you have not used this Cleansing Crystal, lose no time in obtaining it. Nothing has ever been introduced iuto this country which has effected such a wonderful change upon Washing Days. It saves your time-saves your clothes-saves your money; and it does not injure the most delicate hands. Pickstone's Cleansing Crystal makes washing a pleasure, reduces the cost of fuel, the wear and tear of labor, and improves every article washed. For Linens, and heavy washes, it cannot be surpassed; for Laces, and fine fabrics, it is unequalled. It does not injure the color of Prints, but strengthens and improve them--by its use they retain their original brilliancy. Flannels become white and soft like new. White things are much improved, and keep their color, even if put by for months. Thousands of Families made happy! No misery on a Washing Day, with Pickstone's Cleansing Crystal. Sold by most respectable Grocers and Chemists, in Packets THREE CENTS EACH, sufficient for 20 Gallons of water, r Twelve for Thirty Cents, also in Boxes containing 144 Packets, price Three Dollars each. Be sure to ask for Pickstone's Washing Crystal, as there are spurious imitations. Do not condemn it untried. Make one trial! PRO-TECTED BY ACT OF PARLIAMENT.
