I 18 Excellency was pleased to lay before the Council, a L copy of his Proclamation of the twenty-fourth day of September, A. D. 1868, announcing pursuant to the suspending clause therein. Her Majesty's Royal Approval of the Parliament of Canada of the 31st Victoria, Chapter 56, intituled: "An Act to impose a duty on Foreign Reprints of British Copywright works," and the issuing of an rder of Her Majesty in Council, under the Imperial Act of the 10th and 11th Victoria, Chapter 95, suspended, so far as regards the Dominion during such time as the said first nentioned Act continues in force within the same, the Prohibitions contained in certain Acts of the Imperial Parliament against the importing, selling, letting out to hire, or possessing, foreign reprints of Books first composed, writen, printed or published in the United Kingdom of Great

bles & Hoares Varnishes, now landing ex ship Choice and in Store. Wholesale and Retail by T. B. BABKER & SONS. CAUTION! CAUTION! CAUTION THE Proprietor of PICKSTONE'S WASHING AND CLEANSING CRYSTAL, deems it his duty to caution the public against spurious imitations of his highly celebrated Washing Crystal, which is the most harmles ompound extant. It is free from Lime, Vitriol, and all other deadly mixtures so common to be found amongst washing compounds. Try Pickstone's Washing Crystal, if you want ease, comfort, and economy in washing, which washes every thing, and has rapid sale.

It will be found invaluable for the following domestic urposes, viz.:-It washes all fine things, such as Muslin Lace, Crotchet Work, Baby Linen, &c,; cleaning Sponges, Combs, and Brushes; removing stains from the hands, and grease from Carpets, Cloth, Flannel, &c. It makes Hard Water Soft, and may be used with good effect in Baths, as t immediately removes all condensed perspiration from the skin. A small quantity should also be used in the foo pan. It forms a cooling and cleansing wash for the head, by dissolving a teaspnonful of the Crystal in a quarter of WATERPROOF CLOTHS. -- Newest Shades in MAN-TLE CLOTHS, at most reasonable prices. Mantles Gums, it is quite a luxury, by adding a teaspoonful to a tumbler of water. It renders linen beautifully white, and unlike other preparations, at the same time preserves the fabric. It contains nothing injurious to life. A child eating it by mistake, will not be injured.

If you have not used this Cleansing Crystal, lose no time in obtaining it. Nothing has ever been introduced into this country which has effected such a wonderful change upon Washing Days. It saves your time-saves your clothes-saves your money; and it does not injure the most delicate hands. Pickstone's Cleansing Crystal makes washing a pleasure, reduces the cost of fuel, the wear and tear of labor, and improves every article washed. For Linens, and heavy washes, it cannot be surpassed; for Laces, and fine fabrics, it is unequalled. It does not injure the color of Prints, but strengthens and improve hem--by its use they retain their original brilliancy. Flannels become white and soft like new. White things are much improved, and keep their color, even if put by for months. Thousands of Families made happy! No misery on a Washing Day, with Pickstone's Cleansing Crystal. Sold by most respectable Grocers and Chemists, in Packets Three Cents Each, sufficient for 20 Gallons of water, r Twelve for Thirty Cents, also in Boxes containing 144 Packets, price Three Dollars each. Be sure to ask for Pickstone's Washing Crystal, as there are spurious imitations. Do not condemn it untried. Make one trial! Pao-TECTED BY ACT OF PARLIAMENT.

OF DEATHS, that annually occur, are caused by Preventable Diseases, and the greater portion of those complaints would, if Radway's Ready Relief or Pills (as the case may require,) were administered when pain or uneasiness or slight sickness is experienced, be exterminated from the system in a few hours. PAIN, no matter from what cause, is almost instantly cured by the Ready Relief. In cases of Cholera, Diarrhœa, Cramps, Spasms, Bilious Cholie, in fact all Pains, Aches and Infirmities either in the Stomach, Bowels, Bladder, Kidneys, or the Joints, Muscles, Legs, Arms, Rheumatism, Neuralgia, Fever and Ague, Headache, Toothache, &c., will in a FEW MINUTES yield to the soothing influence of the Ready

Sudden Colds, Coughs, Influenza, Diptheria, Hoarseness, Sore Throat, Chills, Fever and Ague, Mercurial Pains, Scarlet Fever, &c., &c., take from four to six of Radway's Pills, and also take a teaspoonful of the Ready Relief in a glass of warm water, sweetened with sugar or boney; bathe the throat, head and chest with Ready Rebef, (if Ague or intermittent Fever, bathe the spine also,) in the morning you will be cured.

How the Ready Relief Acts!

In a few minutes the patient will feel a slight tingling irritation, and the skin becomes reddened; if there is much distress in the stomach, the Relief will assist nature in removing the offending cause,-a general warmth is felt throughout the entire body, and its diffusive stimulating properties rapidly courses through every vein and tissue of the system, arousing the slothful and partially paralyzed glands and organs to renewed and healthy action, perspiration follows, and the surface of the body feels increased heat. The sickness at stomach, colds, chills, head-ache, oppressed breathing, the soreness of the throat, and all pains, either internally or externally, rapidly subside, and the patient falls into a tranquil sleep, awakes refresh-

Soon a powerful perspiration will take place, and you will feel a pleasant heat throughout the system .-Keep on taking Relief immediately, every four hours, also the Pills. A cure will be sure to follow. The relief is strengthening, stimulating, soothing, and quieting; it is sure to break up the Fever and to. neutralize the poison.
