DR. RADWAY'S PILLS-Dose-For Regulating the Liver, Stomach, Bowels, and promoting Digestion, One Pill at Night. For Obsti-

nate Diseases and Chronic complaints-4 to 6every 24 hours. Dr. RADWAY'S PILLS are COM-POUNDED FROM VEGETABLE EXTRACTS, Coated with Sweet Gum, and are the best, quickest, and safest Purgative, Aperient, Anti-Bilious and Cathartic Medicine known to Medical Science. One of Dr. Radway's Pills contains more of the active principle of cure, and will act quicker on the Liver, Bowels, Stomach, Kidneys, Bladder, Blood, &c., than four or six of the ordinary common Purgative Cathartic Pills sold under various names, or than ten grains of Blue Mass.

TRUE COMFORT FOR THE AGED AND OTHERS AFFLICTED WITH COSTIVE-NESS AND PARALYSIS OF THE BOW-ELS.

ONE TO THREE OF RADWAY'S PILLS once in 24 hours will secure regular evacuations from the bowels. Persons who for 20 years have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

#### READ THIS.

New Albany, Ind., March 12, 1867. For forty years I have been afflicted with costiveness, and for the last twenty was compelled daily to resort to injections to secure an evacuation. In December last I commenced the use of Radway's Pills. After taking a few doses my liver, stomach, and bowels were restored to their natural strength and duties. I have now a regular movement once a day, and, although 80 years of age, feel as hearty and strong as I did 40 years ago. Dr. Radway, N. Y. THOS. REDPATH, J. P.

Is in receipt of an important official document,

signed by the Professors of the Medical

College of Breslau, Prussia, embodying the result of an analysis of RADWAY'S REGULATING PILLS. "The Faculty of the College state in their report that after a careful and minute examination, they have the honor to state that "the pills are not only free from every substance injurious to health, but are composed wholly of substances and elements promotive of digestion, and certain at the same time to act favorably upon the nervous system, &c., &c. They state, further, that the injurious rumors set affoat by the Prussian apothecaries originated "in a mean spirit of trade jealousy, excited by

a very brief period." Signed on behalf of the College, DR. PHIL. THEOBALD WERNER, Director of the Polytechnic Bureau.

the great celebrity attained by the Pills within

DR. HESSE, First Assistant. EISMARK! PRUSSIA!! THE KING!!! Our correspondent informs us that "when this report was published, there was general joy in Breslau and Berlin." In 24 hours after the great purity of this medicine was made known, there was not a box of Radway's Pills to be obtained at the agency. Count Bismark ordered a supply, and it is stated in diplomatic circles that his sudden recovery is owing to them. They are now the acknowledged Pills of the Royal Family. It is a comfort to know that the poor man for 25 cents, can be cured with the same medicine that cures kings and their prime ministers of their ills. Price of Dr. Radway's Pills, 25 cents per box,
