LIFE'S REST.

BY E. ALICE KINNEY. Meeting the storm and the whirlwind, Facing the current and tide, Tossed by the billows of ocean, With none but the angels to guide,

Morning and midnight I hear it, Stormy or calm be the sea, Voice of the Son and the Spirit, "Weary one come unto me."

What though the waters be troubled, Have we no tempests to meet? What though our burdens be doubled, Rest will be all the more sweet. Calm are the stars in the zenith,

Why should the voyager fear? Meeting the night and the billow, Sooner the morning is here.

Many the bark on the breakers, Many the lips that are dumb, Patiently all through the midnight, Waiting for sunrise to come. Yet o'er the cloud-rim the rambow

Bideth an angel-faced guest, Through with life's toil and its watching, Enter we into its rest.

> Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. disorders, which were aglous contamination unti

they were painfully afflicting, have been radically cured in such great numbers in almost every sec-tion of the country, that the public scarcely need to be informed of its virtues or uses. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at ength, cure, by the use of this SARSAPARILlength, cure, by the use of this SARSAPARIL-LA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscu-lar and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhaa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the lood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate value and convincing evidence of its restorative relief and convincing evidence of its restorative power upon trial.

New Albany, Ind., March 12, 1867. For forty years I have been afflicted with costiveness, and for the last twenty was compelled daily to resort to injections to secure an evacuation. In December last I commenced the use of Radway's Pills. After taking a few doses, my liver, stomach, and bowels were restored to their natural strength and duties. I have now a regular movement once a day, and, although 80 years of age, feel as hearty and strong as I did 40 years ago.

DR. RADWAY Is in receipt of an important official document, signed by the Professors of the Medical College of Breslau, Prussia, embodying the result of an analysis of

RADWAY'S REGULATING PILLS. "The Faculty of the College state in their report that after a careful and minute examination, they have the honor to state that "the pills are not only free from every substance injurious to health, but are composed wholly of substances and elements promotive of digestion, and certain at the same time to act favorably upon the nervous system, &c., &c. They state, further, that the injurious rumors set affoat by the Prussian apothecaries originated "in a mean spirit of trade jealousy, excited by the great celebrity attained by the Pills within a very brief period."

Signed on behalf of the College, DR. PHIL. THEOBALD WERNER. Director of the Polytechnic Bureau.

DR. HESSE, First Assistant. BISMARK! PRUSSIA!! THE KING!!! Our correspondent informs us that "when this report was published, there was general joy in Breslau and Berlin." In 24 hours after the great purity of this medicine was made known, there was not a box of Radway's Pills to be obtained at the agency. Count Bismark ordered a supply, and it is stated in diplomatic circles that his sudden recovery is owing to them. They are now the acknowledged Pills of the Royal Family. It is a comfort to know that the poor man, for 25 cents, can be cured with the same medicine that cures kings and their prime ministers of their ills.
