How the Ready Relief Acts!

In a few minutes the patient will feel a slight

tingling irritation, and the skin becomes red-

dened; if there is much distress in the stomach,

the Relief will assist nature in removing the

offending cause,-a general warmth is felt

throughout the entire body, and its diffusive

stimulating properties rapidly courses through

every vein and tissue of the system, arousing the

slothful and partially paralyzed glands and

organs to renewed and healthy action, perspira-

tion follows, and the surface of the body feels

increased heat. The sickness at stomach, colds,

chills, head-ache, oppressed breathing, the sore-

ness of the throat, and all pains, either inter-

nally or externally, rapidly subside, and the pa-

tient falls into a tranquil sleep, awakes refresh-
