Our correspondent informs us that "when this report was published, there was general joy in Breslau and Berlin." In 24 hours after the great purity of this medicine was made known, there was not a box of Radway's Fills to be obtained at the agency. Count Bismark ordered a supply, and it is stated in dip.omatic. circles that his sudden recovery is owing to them. They are now the acknowledged Pills of the Royal Family. It is a comfort to know that the poor man, for 25 cents, can be cured with the same medicine that cures kings and t' r prime ministers of their ills.
