Religious Intelligencer.

SAINT JOHN, N. B., FEBRUARY 28, 1868.

A WORD TO OUR SUBSCRIPERS. Since the beginning of the year renewals have been promptly made. To all who have complied with our terms-payment in advance-we feel indebted, and we hope to give them value for their money, at least we think we can do so.

By an examination of our books however, we find that there are very many, to whom papers are being sent, who are in arrears. To each individual the amount due is but a trifling affair, but one moment's

Please find inclosed \$5.00, to pay for arrears and the

The Intelligencer has some subscribers, not a few either, who might write after the same fashion. They have been reading our paper for some time. They can now see from the course taken by the Western gentleman how easy a matter it is to make it their minister. own paper; and we feel satisfied that if our delinquen friends only knew how much better and more inde pendent they would feel, and how much more the would relish what they read, they would at once be paper," and our list of delinquent subscribers would

scriptions renewed previous to April 1st. That each praying, working churches, and then with a consesubscriber may know how he stands, we have direct. | crated, holy ministry, the tide of iniquity would be EACH SUBSCRIBER IS PAID MARKED ON THE WRAPPER | gloriously. FOR TWO WEEKS, commencing next week. The number of next week's paper will be 738. If the number marked on the wrapper be above 738, they are paid in advance to that number; if below 788, they are in arrears from the number on the wrapper.

Our friends will at once see the necessity of the course we take in this matter. We hope to hear from them soon.

Our thanks are due to our agents and friends for their efforts in the interests of our paper, and we hope that just now, when we stand much in need of "their influence, they will not be less active than
