OF DEATHS, that annually occur, are caused by Preventable Diseases, and the greater portion of those complaints would, if Radway's Ready Relief or Pills (as the case may require,) were administered when pain or uneasiness or slight sickness is experienced, be exterminated from the system in a few hours. PAIN, no matter from what cause, is shoost instantly cured by the Ready Relief. In cases of Cholera, Diarrhoea, Cramps, Spasms, Bilious Chelie, in fact all Pains, Aches and Infirmities either in the Stomach, Bowels, Bladder, Kidneys, or the Joints, Muscles, Legs, Arms, Rheumatism, Neuralgia, Fever and Agne, Headache, Toothache, &c., will in a FEW MINUTES yield to the soothing influence of the Ready

Sudden Colds, Coughs, Influenza, Diptheria, Hearseness, Sore Throat, Chills, Fever and Ague, Mercurial Paiss, Scarlet Fever, &c., &c., take fical four to six of Radway's Pills, and also take a teaspoonful of the Ready Relief in a glass of warm water, sweetened with sugar or honey; bathe the throat, head and chest with Ready Relef, (if Ague or intermittent Fever, bathe the spine also,) in the morning you will be cured.

How the Ready Relief Acts!

In a few minutes the patient will feel a slight tingling irritation, and the skin becomes reddened; if there is much distress in the stomach, the Relief will assist nature in removing the offending cause, -a general warmth is felt throughout the entire body, and its diffusive stimulating properties rapidly courses through every vein and tissue of the system, arousing the slothful and partially paralyzed glands and organs to renewed and healthy action perspiration follows, and the surface of the body feels increased heat. The sickness at stomach, colds, chills, head-ache, oppressed breathing, the soreness of the throat, and all pains, either interwally or externally, rapidly subside, and the patient falls into a tranquil sleep, awakes refreshed, invigorated, gured.

It will be found that in using the Relief externally, either on the spine or across the kidneys, or over the stomach and bowels, that for several days after a pleasing warmth will be felt, showing the length of time it continues its influence over the diseased parts. Price of R. R. R. RELIEF, 25 cents per bottle, Sold by Druggists and Country More chants, Grocers, &c.

RADWAY & CO.. 87 Maiden Lane, New York.

TYPHOID FEVER.

This disease is not only cured by Dr. Radway's Relief and Pills, but prevented. If exposed to it, put one teaspoonful of Relief in a tumbler of water. Drink this before going out in the morning, and several times during the day. Take one of Radway's Pills one hour before dinner,

and one on going to bed. If seized with Fever, take 4 to 6 of the Pills overy six hours, until copious discharges from the bowels take place; also drink the Relief diluted with water, and bathe the entire surface of the body with Relief. Soon a powerful perspiration will take place, and you will feel a pleasant heat throughout the system .--Keep on taking Relief immediately, every four hours, also the Pills. A cure will be sure to follow. The relief is strengthening, stimulating, soothing, and quieting; it is sure to break up the Fever and to neutralize the poison. Let this treatment be followed, and thousands will be save 1. The same treatment in Fever and Ague, Yellow Fever, Ship Fever, Bilious When the patient feels the Relief irritating or heating the skin, a cure is positive. In all cases where pain is felt the Relief should be used.
