In company with some friends, the deceased went to enjoy a few days' sport goose-shooting, and was out in a boat with Mr. Hugh Muero of this place, and a young man named Bone belonging to Carriboo. OUT OF

OF DEATHS, that annually occur, are caused by Preventable Diseases, and the greater portion of those complaints would, if Radway's Ready Relief or Pills (as the case may require,) were administered when pain or uneasiness or slight sickness is experienced, be exterminated from the system in a few hours. PAIN, no matter from what cause, is almost instantly cured by the Ready Relief. In cases of Cholora, Diarrheea, Cramps, Spasms, Bilious Cholie, in fact all Pain-, Aches and Infirmities either in the Stomach, Bowels, Bladder, Kidneys, or the Joints, Muscles, Legs, Arms, Rheumatism, Neuralgia, Fever and Ague, Headache, Toothache, &c., will in a FEW MINUTES yield to the soothing influence of the Ready Relief.

Sudden Colds, Coughs, Influenza, Diptheria, Hoarseness, Sore i broat, Chills, Fever and Agao, Mercurial Pains, Scarlet Fever, &c., &c., tako f. om four to six of Radway's Fills, and also take a teaspoonful of the Ready Relief in a glass of warm water, sweetened with sugar or honey; bathe the throat, head and chest with Leafy Relief, (if Ague or intermittent Fever, bathe tho spine also,) in the morning you will be av ed.

How the Ready Relief Acts!

In a few minutes the patient will feel a slight tingling irritation, and the skin becomes redened; if there is much distress in the stomaca, the Relief will assist nature in removing the offending cause,---a general warmth is falt throughout the entire body, and its diffusive stimulating properties rapidly courses throu, h every vein and tissue of the system, arousing the slothful and partially pasalyzed glands and organs to renewed and healthy action. perspiration follows, and the surface of the body feels increased heat. The sickness at stomach, colds, chills, head-ache, oppressed breathing, the soreness of the throat, and all pains, either internally or externally, rapidly subside, and the patient falls into a tranquil sleep, awakes reireshed, invigorated, eured, 9

It will be found that in using the Relief externally, either on the spine or across the kidneys, or over the stomach and bowels, that for several days after a pleasing warmth will be felt, showing the length of time it continues its influence over the diseased parts.

For Price of R. R. R. RELIEF, 25 cents per bottle. Sold by Druggists and Country Merchants. Grocors, &c.

Radway's Relief and Pills, but prevented. If exposed to it, put one teaspoonful of Relief in a tumbler of water. Drink this before going out in the morning, and several times during the day. Take one of Radway's Pills one hour before dinnar, and one on going to bed.

If seized with Fever, take 4 to 6 of the Pills every six hours, until copious discharges from the bowels take place ; also drink the Relief diluted with water, and bathe the entire surface of the boly with Relief. Soon a powerful perspiration will take place, and you will feel a pleasant heat throughout the system .----Keep on taking Relief immediately, every four hours, also the Pills. A cure will be sure to follow. The relief is strengthening, stimulating, soothing, and quieting; it is sure to break up the Fever and to neutrilizo the poison. Let this treatment be followed, and thousands will be saved. The same treatment in Fever and Ague, Yellow Fever, Ship Fever, Bilious Fever, will effect a cure in 24 hours .--When the patient feels the Relief irritating or heating the skin, a cure is positive. In all cases where pain is felt, the Relief should be used.
