

As the procession proceeded up Jeffrey's Hill and along to the Square, every body present had a good opportunity to see the Royal visitor, who gallantly acknowledged their expressions of loyalty and delight. At the Court House the crowd was immense; from Princess street to the Graveyard, Sidney street was crowded full; on the house-tops and in the windows every available space was occupied; and looking from the Court House steps across the Square an immense mass of upturned faces greeted the King. Here the Sunday School children were called under the direction of a Committee of the School Union, and guarded by a body of volunteers...

It is just forty years ago since the Potato Blight came down upon our fields like a destroying angel, especially commissioned "to cut off the hopes of the husbandman." Ever since it has been an annual calamity, its severity varied by the state of the weather or other circumstances that were beyond the reach of human ken. This year, up till last week, there was no symptom of its appearance. It has, within the last few days, however, left its withering impress on several fields in the surrounding country. It is by no means general yet, and it may be thought that the farmers in such estates over their prospects. — Tel.

The Jovs or Hous. — In the struggle for comfort and the means of supplying the wants of ourselves and families the maintenance of good health becomes an urgent necessity. When colds refuse to depart under judicious nursing, when coughs distress alarmingly, when the chest is so sore that the patient should permit any cough to continue when it can be so easily rectified by this reliable and efficacious expectorant; one day's delay may bring bitter cause to rue that slight neglect. There can arise no danger from taking this remedy, and it is perfectly safe in administering it even to young and delicate children.

Dr. Dow's Stereog Oil Liniment is prepared by a physician of regular standing, and who is in the habit of using it in extensive practice. It cannot be too highly commended for the favorable influence it exercises over all outward pains. In all sprains, rheumatism, the colds and muscular, the stimulating properties of this Liniment renders it efficacious, as it ultimately leaves the sufferer in the highest health.

Professor Clark has received the unequalled commendation of connoisseurs in the medical colleges of both continents, and his Darcy Condition Powders have been recommended over and over again by prominent physicians in the continent of Europe. No one should permit any cough to continue when it can be so easily rectified by this reliable and efficacious expectorant; one day's delay may bring bitter cause to rue that slight neglect.

THE UNIVERSITY. — On Thursday, the 2nd inst., the Professors and students of the University, re-assembled after the Summer holidays for the purpose of commencing the duties of another Academic year. All the Professors were present with the exception of Prof. Bailey, who is engaged in Geological explorations in the northern part of the continent.

On Wednesday morning, the Prince accompanied by a large number of guests of the Local Government and Governor Wilnot, took his departure for Fredericton in the steamer *Georgina*.

By telegraph to the *Daily Telegraph*, we learn that the *Georgina* arrived at Fredericton at four o'clock. Although the day was not very pleasant, yet at various points along the River, crowds were gathered to cheer the Prince. At Grandfather's Point, Gagetown, Upper Gagetown, and Sheffield, extra demonstrations were made.
