

EARTH'S PUREST JOYS ARE FLEETING. In Summer's sweet and sunny hours I saw a garden fair ; I went again, but ah! the flowers I found no longer there. Wild Winter's bitter, biting blast, Had withered them in blowing past; So youth's warm feelings cease to beat, When chilled by scorn and dark deceit.

> A famous city stood beside A mountain long ago; The morning saw its pomp and pride, The night its overthrow. The mount poured forth its liquid fire, Entombing e'en its loftiest spire; And pleasures once considered rare Lie buried deep in graves of care.

Both herb and foliage rankly grew In Afric's western land, Until the dread Harmattan blew Across Sahara's sand ; And left that landscape broad and green, A faded, lifeless, dismal scene; So cherished hopes of early years, Are blighted oft, and changed to fears.

A bark was gliding swift along The bounding billow's breast, The sailor sang his social song, Then calmly sank to rest, But woke to swell the dying groan Of fellow-wretches with his own. So are the plans our boyhood forms Wrecked by reality's rough storms.

But there are feelings, pleasures, hopes, And a plain, perfect plan, That are as pure, when death's door opes, As when they first began,-The sacred feeling, based on faith ; The pleasures of a Christian's path ; The hopes of Heaven with endless bliss; The plan by which God offers this.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

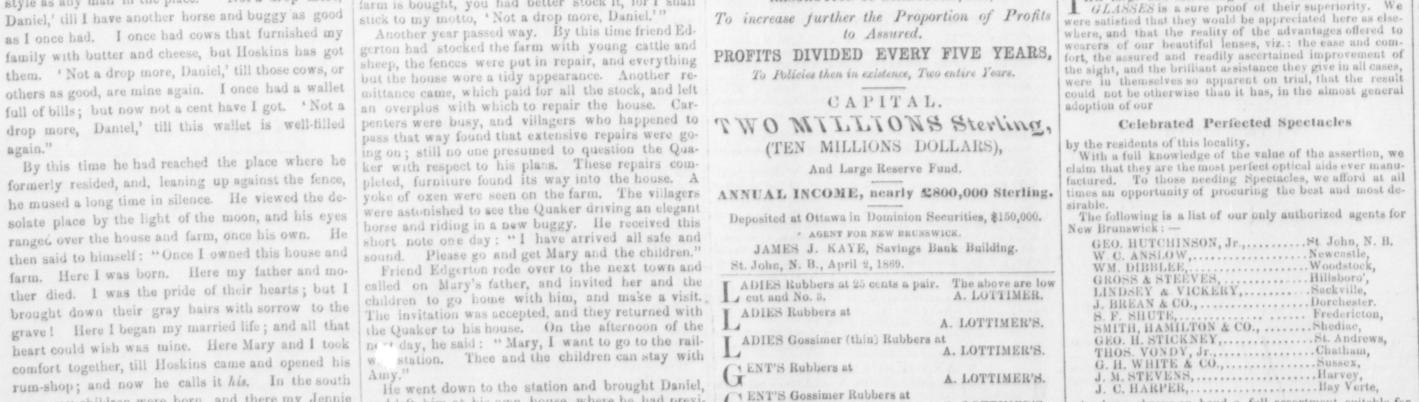

and the second

Ayer

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universal ly adopted into use, in every country and among all classes, as this mild efficient purgative Pill. The obvious reason is, that it is a more re

able and far more effec tual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends and all know that what it does once it does always - that it never fails through any fault or neglectof its composition. We have thousands upon thou-sands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Then sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action — remove the obstructions of the stomach, bowels, liver, and other organs of the block — restoring their program action to health, and

body, restoring their irregular action to health, and by correcting, wherever they exist, such derange-ments as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure :---For Nyspepsia or Indigestion, Listless-ness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stom-ach and restore its healthy tone and action. For Liver Complaint and its various symptoms, Hilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Ebysentery or IDiarrhoga, but one mild ose is generally required. For Rheumatism, Gont, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints discovery For Bropsy and Bropsical Swellings they should be taken in large and frequent doses to pro-duce the effect of a drastic purge. For Suppression a large dose should be taken s it produces the desired effect by sympathy. As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often ad-vantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from heir cleansing and renovating effect on the digestive apparatus.

who have always on hand a full assortment, suitable for or every difficulty.

eddlars, and to caution them against those pretending to have our goods for sale.
