JERUSALEM THE GOLDEN. Jerusalem the Golden, I languish for one gleam Of all thy glory folden In distance and in dream! My thoughts like palms in exile, Climb up to look and pray

For a glimpse of that dear country That lies so far away. Jerusalem the Golden, When sunset's in the west,

It seems the gate of glory, Thou city of the blest! And midnight's starry torches, Through intermediate gloom, Are waving with their welcome To thy eternal home.

Jerusalem the Golden! Where loftily they sing, O'er pain and sorrow olden Forever triumphing! Lowly may be thy portal, And dark may be the door,

The Mansion is immortal! God's palace for his poor. Jerusalem the Golden! There all our birds that flew-Our flowers but haif unfolden,

Our pearls that turned to dew-And all the glad life-music, Now heard no longer here, Shall come again to greet us, As we are drawing near. Jerusalem the Golden!

I toil on day by day; Heart-sore each night with longing, I stretch my hands and pray That, midst thy leaves of healing, My soul shall find her nest,

Where the wicked cease from troubling-The weary are at rest.

Patrick quickly walked up the ladder once more and resumed his work without uttering another word. Thus far he had acted heroically and won the respect and confidence of all his associates, for although men may sneer at fixedness of purpose and integrity of principle, it is impossible not to admire and respect those in whom these rare virtues predominate.

But, great is the influence of association, and true it is that "evil communications corrupt good manners." In a few weeks Patrick began to feel the influence of the climate, chills attacked him, followed by fever, and when this abated he was told that there was no remedy for it but to make free use of the bitters used by all-that it would be no breach of his pledge, or of his promise to his wife, to seek the only means of combating sickness which would be of any service; and that if he did not consent, the consequences might be dreadful, even fatat. To this theory, the country doctor, an ignorant quack, gave his endorsement; and when we take all these things into consideration, shall we wonder that poor, ignorant Patrick was caught in the snare, and became a victim to his credulity and the confiding nature of

CAUTION! CAUTION! CAUTION! THE Proprietor of PICKSTONE'S WASHING AND CLEANSING CRYSTAL, deems it his duty to caution the public against spurious imitations of his highly celebrated Washing Crystal, which is the most harmless compound extant. It is free from Lime, Vitriol, and all other deadly mixtures so common to be found amongst washing compounds. Try Pickstone's Washing Crystal, if you want ease, comfort, and economy in washing, which washes every thing, and has rapid sale.

It will be found invaluable for the following domestic

ourposes, viz.:-It washes all fine things, such as Muslin Lace, Crotchet Work, Baby Linen, &c,; cleaning Sponges, Combs, and Brushes; removing stains from the hands, and grease from Carpets, Cloth, Fiannel, &c. It makes Hard Water Soft, and may be used with good effect in Baths, as it immediately removes all condensed perspiration from the skin. A small quantity should also be used in the foot pan. It forms a cooling and cleansing wash for the head, by dissolving a teasphonful of the Crystal in a quarter of a pint of water; and for cleansing the Mouth, Teeth, and Gums, it is quite a luxury, by adding a teaspoonful to a tumbler of water. It renders linen beautifully white, and unlike other preparations, at the same time preserves the fabric. It contains nothing injurious to life. A child eat-

ing it by mistake, will not be injured. If you have not used this Cleansing Crystal, lose no time in obtaining it. Nothing has ever been introduced into this country which has effected such a wonderful change upon Washing Days. It saves your time-saves your clothes -- saves your money; and it does not injure the most delicate hands. Pickstone's Cleansing Crystal makes washing a pleasure, reduces the cost of fuel, the wear and tear of labor, and improves every article washed. For Linens, and heavy washes, it cannot be surpassed; for Laces, and fine fabrics, it is unequalled. It does not injure the color of Prints, but strengthens and improve Wheatman's & Smith's Superior MILL SAWS; nels become white and soft like new. White things are much improved, and keep their color, even if put by for months. Thousands of Families made happy! No misery on a Washing Day, with Pickstone's Cleansing Crystal.
