TIME IS PASSING.

Time is rushing in his chariot ; Rapidly bis wheels go round ; Though they cast no dust behind them. Though they have no rumbling sound; Silently they bear us onward; Soon our journey will be o'er ; Soon the friends with whom we mingle We shall see and hear no more ; Soon our feet shall press the meadows Of the vast, eternal shore.

Flying months and years remind us Of the world we're passing to: Let us leave good deeds behind us, In the world we're passing through, Which shall be the seeds of kindness, Watered by celestial dew, And shall bear good fruit for others-Fruits of joy, and peace, and love-. Years long after we are singing In the immortal land above.

Men are born and men are dying; Thousands come, not one to stay ; Time is swift, his wheels are flying, Never ceasing night or day, For the laughter, nor the crying Of the stricken or the gay; Gushing down the God-defying-They who laugh at death's delay-And from sorrow, sin, and sighing, Bearing gentle souls away.

Plans and schemes of men and nations, Hearts and homes and homestead free, Granite walls and art's creations, All the eye delights to see, All the ear delights in hearing, Crumble, tumble, fall and fade. Oh! we need a world more cheering, Free from graves and cypress shade ; Thanks to God! that world we're nearing, In eternal sapphires laid.

They said he had no courage, and was nothing anyway but a little cry-baby, tied to his mother's apronstrings. They mocked his dear father, and called him many insulting names. As usual, Freddie said nothing in Willie's defence. He even laughed when to my mother, sob upon her bosom and she would these wicked boys said anything which they thought very funny. Pickstone's Cleansing Crystal makes washing a pleasure, reduces the cost of fuel, the wear and tear of labor, and improves every article washed. For Linens, and heavy washes, it cannot be surpassed for Laces, and fine fabrics, it is unequalled. It does not injure the color of Prints, but strengthens and improve them -- by its use they retain their original brilliancy. Flannels become white and soft like new. White things are much improved, and keep their color, even if put by for nonths. Thousands of Families made happy! No misery on a Washing Day, with PICKSTONE'S Cleansing Crystal. Sold by most respectable Grocers and Chemists, in Packets THREE CENTS EACH, sufficient for 20 Gallons of water, or Tweive for Thirty Cents, also in Boxes containing 144 Packets, price Three Dollars eauh. Be sure to ask for PICKSTONE'S Washing Crystal, as there are spurious imitations. Do not condemn it untried. Make one trial ! PRO-TECTED BY ACT OF PARLIAMENT. Sole Agent for New Brunswick :

For all the purposes of a Laxative Medicine.

other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends. and all know that what it does once it does always - that it never fails through any fault or neglectof its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity. They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action — remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on

the box, for the following complaints, which these Pills rapi dly cure :---For Dyspepsia or Indigestion, Listless-

ness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action. For Liver Complaint and its various

ns, Bilious Headache, Sick Headache. Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be juiously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild

For Rheumatism, Gout, Gravel, Palpi-tation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to pro-duce the effect of a drastic purge.

For Suppression a large dose should be taken is it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to pro-

mote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
