The horse, naturally the friend, companion, and the most useful servant of man, is peculiarly liable from change and exposure to Coughs, Colds, Founder, Heaves, &c., which, by reason of not being properly cared for, soon grow into magnitude and importance. To correct all mischief, Clark's Derby Condition Powders are just the thing required.

Many valuable horses die from the effects of colic. The best thing to do in a case of this kind, is to pour a bottle of "Johnson's Anodyne Liniment" into a ong necked junk bottle, add half a pint of molasses and water, then pour the whole down the horses's throat. In ten minutes the horse will begin to eat.

Hair Vigor,

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored with the gloss and freshness of youth.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted

merely for a HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
