HEALTH! TIME! MONEY!

Why Should I Buy Kitchen's Patent Churn ? DECAUSE they preserve health, save time, save money, D and the churning is all done in 5 or 10 minutes. You will then believe what I assure you is true, viz. : That I have for sale the best churn ever invented - Kitchen's Patent Rotary Double Dasher. This charn has two Dashers, each revolving in an opposite direction. It is useless to attempt a description of this churn in an advertisement, it has to be seen to be appreciated. It is estimated by practical farmers that it will produce one-tenth more butter from the same quastify of cream thas any other churn now in use. The public are respectfully requested to call at my store, examine the article, and select for themselves. ELY PERKINS,
