GENERAL CONFERENCE.

Last week we gave a synopsis of Conference doings up to Sabbath evening. The day seemed to be enjoyed by all. The Seat of Conference was, of course, the centre of attraction, though several points in the vicinity were well supplied, and the services very well attended. Good preaching and good hearing must be followed by good. MONDAY.

at 9 A. M., the Conference was called to order by the retiring Moderator, Rev. J. Noble. On the ballot being taken, Rev. G. A. Hartley was elected to succeed him; and Rev. J. T. Parsons was elected Corresponding Secretary. The usual committee to nominate the several committees was appointed; and the work of the session was at once entered upon with earnestness.

The remarks of several brethren in connection with the resolution were much to the point. While the church membership has been increasing, there are not as many ministers as four years ago. Death, removal, and, sadder than either, expulsion has lessened the number considerably. Those remaining must work the harder; and all should pray most earnestly to the Lord of the harvest to send forth others-strong and earnest, full of faith and the Holy Ghost, to aid in winning the purchase of To the Freewill Baptist Conference, to be held in Jesus' precious blood. A few years since a day was set apart as in the above resolution. We do not know that all the churches observed it, but from some that did, there soon came forth young men, feeling "Necessity is laid upon me; yea woe is me if I preach not the gospel." They are now among the active workers in God's cause, and have been the means of bringing many souls to the Fountain of living waters. Who can doubt that they are what they are in answer to prayer? And may we not expect similar results from prayer now? Let the 4th of January next not be forgotten by any. Not that prayers for the specified object should, in the meantime, cease. No, pray always, and earnestly.

Reports from Committees were received, and in many instances gave rise to instructive discussion.

Among the various duties of our annual meetings, there are always some matters extremely painful, The recent Conference was not an exception in this respect. Elder Elijah Sisson was suspended from exercising the offices of the Christian Ministry until he should remove charges of immorality proven against him. The matter was considered by General Conference, and a vote of expulsion passed.

Mr. A. B. Marsh made application, through the Moderator, for a re-hearing. His request was not granted; the Conference deeming it unnecessary to do more than re-affirm its decision of last year.

We trust these brethren may be eminently successful in bringing many souls to a knowledge of the truth as it is in Jesus.
