LANDING OF THE LOYALISTS.—Wednesday being the 18th of May, the anniversary of the Landing of the Loyalists, the event was celebrated by the firing of a salute at six o'clock in the morning by the batteries of Capt. Kane, from King's Square; Capt. Kerr, from Queen's Square, and Capt. Farmer, from Fort Howe in Portland.—*Globe.*

Tickets at reduced rates will be issued by the Railway authorities to parties attending the Alumni Anniversary at the Sackville Academy on Monday next.—*Ib.*

SUICIDE AT SHEDIAC!—On Wednesday last a Mrs. Ramsay, of Shediac, committed suicide by hanging. She had been insane for a length of time, and on the day in question went out into a grove of trees near her residence, and climbing into the branches of one, some fifteen or twenty feet from the ground, put a piece of cotton around her neck, tied the end to the tree, and, it is supposed, jumped off.

When found, the body bore every appearance of having suffered long and severely before death ensued, no slip noose having been made in the cloth; and the features presented a very ghastly sight.—*Telegraph.*

ATTEMPTED ROBBERY.—One evening last week as two gentlemen were riding in a waggon on their way from Robbinston to Calais their horse was suddenly stopped by two men with their faces blackened, who ordered them to get out of the wagon, and deliver up what money they had. One of the gentlemen was armed with a revolver which he discharged at one of the robbers, who instantly took to his heels; followed by his companion.—*S. S. Times.*

FAILURE.—Another failure is reported in Eastport; that of Messrs. Peabody & Cummings. Their liabilities are supposed to be about $50,000. The Mowe failure last week was for 60,000.—*St. Croix Courier.*

SUPPOSED TO BELONG TO THE "CITY OF BOSTON."—The Western *Morning News* (of England), says that on the evening of April 23, there was washed ashore at Perranporth, a broken piece of teak wood about three feet long and about three or four inches wide. On one side it was painted blue, and on the other was rudely inscribed, apparently with a knife or chisel, the following in Roman capitals:

TY OF BOSTON IS SINKING FEB. 11.
M.

The date was variously read by persons who had seen it; some considering that the two strokes after "Feb." represent the Roman notation of two; while other persons hold that they are Arabic numerals for eleven. Of the word "City" all had been broken away expect the lower part of the letters T and Y. Beneath the date is what looks like a rudely formed capital M, which is supposed may be the initial of the writer's name. The board is much battered and saturated. It appeared to have been in the water a considerable time, and was believed to be a genuine sea waif. It remained in the possession of Mr. Hickey, of the coast guard at Perranporth.

BANK ROBBERY.—The Lime Rock Bank of Rockland, Me., was broken into a few nights ago and $27,000 stolen. The money and securities have been recovered and some of the thieves caught, but one of the latter, named Rand, is still at large. He is said to be the same person who was concerned in the Central bank robbery at Fredericton some years ago, and is a desperate character. Messrs. Hardy and Bridges have good cause to remember him in reference to a livery stable transaction which took place about the time of the Fredericton robbery.—*Courier.*

STEAMER ACCIDENT.—The steamer *Linda* arrived in port on Saturday morning in tow of a tug, with one of her shut off valves broken, which rendered the engines useless. The accident occurred off the Gale Reef, outside of Brier Island, on Thursday. Sail was at once got on, and she was ran back and anchored under the Nova Scotia shore, off Montagan, about 2 o'clock on Friday morning. A messenger was then despatched to Yarmouth for a tug, which came to her assistance, and brought her over to St. John. The weather was thick all the way across. The repairs were at once commenced, and she was ready to make her return trip.—*News.*

STEAMER BETWEEN ST. JOHN AND ST. STEPHEN.—We learn on good authority by telegraph, that the bargain between Mr. Lunt and the Government has been closed for the Steamer *City of St. John* to be put on this route. She will make a round trip once a week. Leaving St. John she will touch at Letang and St. Andrews, and arrive at St. Stephen same afternoon. Leaving St. Stephen next morning, she will make a trip to Grand Manan, touching at St. Andrews, and Eastport or Campobello, returning to St. Stephen same evening. On her return trip to St. John she will call at St. Andrews and Magaguadavic harbor. The contract is for four years. This very satisfactory arrangement has been brought about chiefly through the instrumentality of the Hon. John McAdam.—*St. Croix Courier.*

OTTAWA.—On the 12th inst., the House was prorogued with the usual ceremonies. Some sixty bills received the assent of the Governor General.

An important despatch was laid before the House of Commons on Friday, announcing that the Imperial Government would at once send a force to protect the Canadian Fisheries. And our readers saw a few days ago that the United States Government had issued a circular stating that any American citizens who infringed upon British fishing ground, would cease to have the protection of their Government. Here is another proof that men who respect themselves and their own undoubted rights will be respected by others. If a people have rights which are undoubted, but which they are afraid to enforce for fear of giving offence, they had better cease to exist.

An Ottawa despatch to the Halifax *Chronicle* of yesterday contains the following:—

Dr. Tupper will be sworn in a member of the Cabinet as Receiver General, it is said.

Le Minerve favors the appointment of Mr. Archibald, and expresses profound satisfaction. His Private Secretary will be B. Sulte, a young French Canadian poet.

The Toronto *Globe* and *Telegraph* advocate closing the Canadian canals to American vessels unless the "Chicora" is allowed to pass through the Saulte.

In consequence of Fenian rumors, the gunboat "Rescue" has left the Welland Canal for Goodrich, at which point she will be manned and take in ammunition. She sails for Saulte Ste. Marie to-morrow to protect the transports.

The Quebec battalion wants 118 men to complete its number. It will be well filled up with disbanded men from Royal Canadian Rifles.

OTTAWA, May 18.—Mr. Archibald, Lieutenant Governor of Manitobah, will soon proceed thence and assume the duties of his office.

CHICAGO, May 14.—The report relative to the concentration of Fenians at Duluth is confirmed by the newspapers published at that point.

The St. Paul *Press* has news of mustering of men from various parts of Minnesota, and that one party is now en route to Red River overland.

ANOTHER CASE OF BRONCHITIS CURED.

BRIDGEWATER, N. S., 2nd March, 1869.

MR. JAMES I. FELLOWS.

DEAR SIR,—While in Windsor on a visit in December last, I fell in with an old friend—Capt. H. Coffill—and finding him loooking so hearty and robust, was led to enqire what had produced the great change, for when I last saw him two years previous he was a mere skeleton. He informed me that your very valuable Syrup of Hypophosphites had effected a *perfect cure.* He persuaded me to try the Syrup for Bronchitis, from which I had suffered much during several years. I purchased one dozen of this Syrup, and have used only three bottles, and my health is now better than it has been for years. Not requiring the balance of the dozen, I sold it to different parties, and now there is a general demand for it from all parts.

Yours respectfully,
W. J. NELSON.

Capt. H. Coffill is the person who was cured of Consumption in 1866 by Fellows' Compound Syrup of Hypophosphites, and whose letter was published some time ago.

Sold by Apothecaries. Price $1.50 per bottle, or six for $7.50. James I. Fellows, Chemist, Manufacturer, Saint John, N. B.

Have you a cough or any Lung complaint? Have you a weakness of the chest, or a tendency to consumption? If you have, you will find in Dr. Wilson's Pulmonary Cherry Balsam a preparation that will perfectly and permanently eradicate all such complaints. This Balsam has never been administered for any of the above disorders without producing the desired result. In short, the uniform success of Dr. Wilson's preparations in overcoming all such disorders is now so universally admitted that any further proof is needless from us.

HEARTBURN.—When overflow of bile occurs, and the functions of the stomach become deranged, a burning sensation is felt in the region of the stomach, and is popularly termed Heartburn. Dr. Wilson's Family AntiBilious Pills, by their immediate action on the Liver, purify its secretions, cleanse the solvent fluids, and expel all acrid, irritating matter from the stomach.

Dr. Dow's Sturgeon Oil Liniment, as soon as it is applied, almost miraculously kills all pain. This preparation is not the mere adaptation of an old recipe, but is the result of long experience, derived from a large medical practice, and is only submitted to the public after testing its wonderful medical capacity in thousands of cases.

Extensive experience has confirmed the high character awarded by all owners of horses to Clark's Derby Condition Powders, and we have no hesitation in recommending *these* as perfectly safe. Cold and changeable weather is very apt to cause your horse to be troubled with a slight cough, which, if left to the careless and inattentive groom, will end in heaves. Many a valuable animal has been rendered worthless, when a few doses of these Powders would have prevented all such evil.

MARRIAGES.

On the 4th inst., by the Rev. Timothy Harley, Mr James Langell, to Miss Maria A. Townsend, both of St. John.

On the 16th inst., by the same, Mr. James Saunders, to Miss Adelaide Godsoe, both of St. John.

DEATHS

On Wednesday morning, 18th inst., Andrew J., only child of Robert R. Barnes, aged 6 years.

At her residence in Brighton, Coldstream, on the 21st of April, Hepzibah, beloved wife of James Sewell, aged 39 years, leaving a husband, nine children and a large number of relatives to mourn their loss. She was a humble christian and died in hope of a better inheritance beyond the grave.

Dearest Sister thou hast left us,
Here thy loss we deeply feel,
But 'tis God that hath bereft us,
He can all our sorrows heal.
Yet again we hope to meet thee,
When the day of life is fled,
Then in Heaven with joy to meet thee,
Where no farewell tears shed.

At Temperancevale, Southampton, on the 25th April, Hubbard D. Williams, aged 25 years, leaving a beloved wife and three children to mourn their sad loss. He was a member of the Baptist Church in that community, and highly esteemed in the church and by all who had the pleasure of being acquainted with him. His end was peace.

He fell like a soldier,
He died at his post.

At Brighton, Becaguimic, on the 31st March, James E., aged 35 years, third son of the late James and Eleanor Smith. His end was peace.

LOVELL'S
DOMINION & PROVINCIAL DIRECTORIES.

To be published in October, 1870.

NOTICE.—Learning that my name has been unwarrantably used in connection with directories now being canvassed in the Provinces, and entirely distinct from my works, and that in other cases it has been stated that my Directories have been abandoned, I would request those desiring to give a preference to my works to see that persons representing themselves as acting for me are furnished with satisfactory credentials.

JOHN LOVELL, Publisher.

Montreal, March 16, 1870.

LOVELL'S DIRECTORIES.

IT is intended to make these Directories the most complete and correct ever issued on this continent. They are not being prepared by correspondence, but by Personal Canvass, from door to door, of my own Agents, for the requisite information. I have now engaged on the work in the several Provinces Forty men and Twenty horses. These are engaged mainly on the towns and villages off the Railway and Steamboat Routes, important places on the lines being held till the completion of the former, to admit of correction to latest date.

I anticipate issuing, in October next, the Canadian Dominion Directory, and six Provincial Directories, which will prove a correct and full index to the Dominion of Canada, Newfoundland, and Prince Edward Island, and a combined Gazetteer, Directory and Hand Book of the six Provinces.

Subscription to Dominion Directory:

Dominion of Canada Subscribers	$12 Cy.
United States do.	$12 Gold.

CHURNS! CHURNS! CHURNS!

HEALTH! TIME! MONEY!

Why Should I Buy Kitchen's Patent Churn?

BECAUSE they preserve health, save time, save money, and the churning is all done in 5 or 10 minutes. You will then believe what I assure you is true, viz.: That I have for sale the best churn ever invented—**Kitchen's Patent Rotary Double Dasher.** This churn has two Dashers, each revolving in an opposite direction. It is useless to attempt a description of this churn in an advertisement, it has to be seen to be appreciated. It is estimated by practical farmers that it will produce one-tenth more butter from the same quantity of cream than any other churn now in use. The public are respectfully requested to call at my store, examine the article, and select for themselves.
