The debate is to be resumed this evening.

### THE NEWS and THE PRESS.

SAINT JOHN MARCH 11, 1870.

DEPLORABLE -Mr. Justice Gilbert the other day, committed Martha Smith for trial at the next Session of the County Court, on the charge of larceny. A:ter the commitment he said "that it was his intention to deal with the prisoner under the new Domin ion Law, upon the charge of keeping a house of ill fame. He would give notice now that the new law placed jurisdiction, over these houses, in his hands, as behind him and struck him a heavy blow with a Police Mogistrate, and not only were persons stick, which knocked him out of the sleigh, after who kept them, but all inmates and frequenters of which he remembers nothing more. He repeated them, amenable to the law! He said that he had received a letter asking him to interfere and prevent able to tell more in a few days. - News. the evil which such houses were causing in the city in the demoralization of, not only men, but boys Catholic books of devotion. Mr. Rand, on complaint, showed the letter to the Reporters present.

"It was signed "a Citizen," and complained that the writer had gone on Sunday night in search of his son to a house in St. James' street, where he found, at 10 o'clork, sixteen lads from 15 to 18 years of age, five men and five women. They were drinking and ters of Finance and Customs this afternoon to urge holding sort of revel which was disgraceful."

This exhibits a most deplorable state of things, one that calls for a prompt and stringent action, and we the suppression of this and kindred terrible evils.

TEXPERANCE CONVENTION - A meeting of the Gene ral Committee from the various Temperance Associa- a opted, but the policy respecting the Fisheries was tions, organized for the purpose of framing a petition already decided to be announced in the bill before the st \$3,200,000 to the Roman Catholic Church. This to go before the Legislature, praying that all places Senate; and from these the general policy might be where liquor is dealt out, may be closed from 6 inferred, o'clock on Saturday evening to 8 o'clock on Monday He informed deputation that the policy of protectmorning, was held in the Hall of the Temple of Hon- ing the Fisheries was approved and would be susit was unanimously agreed to call upon each Temper- would perform police duty and be backed by any John to send seven delegates to a Convention to be discharge of their duty. held on the first Monday in April in the Templars' Hon. The prothat are brought to a state of starvation, through the posal was approved of by Howe and Kenny, who prouse of intoxicating drinks, and to suggest means mised to urge its adoption by the Government. whereby these dreadful evils may be arrested. As there are 18 Temperance organizations in the City and County, this Convention will number 126 members, from which a President, Vice-President, and Secretary will be chosen, - News.

SUDDEN DEATH. - Tuesday forenoon a young man named Dalton, who for some months has been studying with Dr. Wm. Christie, of Portland, died suddenly while attending to his duties. He had been being strong enough to attack Fort Garry they unwell for several days, but was not thought to be in biletted tnemselves near by. Riel collected 500 men any danger. It will be remembered that the late Richard Dalton, father of the deceased, died in the same manner some years since. No Coroner's inquest his Portage Canadians, surrendered to a force of was thought necessary .- Tel.

An insane man, name unknown, was found in an old hut on Taylor's Island, on Saturday last, by some the 19th Riel despatched 100 armed men to attack Carleton fishermen, who on Sunday caused him to be removed to the Lunatic Asylum. When found he captured and shot. was almost in a state of nudity, with both feet badly frezen. He appears to be about 30 years of age, but where he came from, or how he managed to take up Rainy Lake. his residence on the Island, has not yet been ascertained, his insane ravings affording no clue to the mystery .- Freeman.

FIRE. - A girl in Mr. H. J. Ward's one mile house, take fire. The flames communicated to another bedroom, and in Mrs. Ward's endeavours to secure her watch, her hands were considerably burned. Mr. Ward also had his whiskers, face and evebrows burned quite severely. Nearly all the clothes of the family were destroyed. The fire was at last subdued by throwning water from buckets upon it .- Tel.

OUR YOUNG MEN ABROAD .- It affords us much gratification to recognize merit among our people, and more especially pleased are we at the success achieved by our young men abroad in the higher Inspection of tendered vessels is now going on by arts. Mr. Charles C. Ward, of this City, has just Government Officers, and no tenders will be accepted presented for the inspection of critics in New York, a till the report on inspection is received, specimen of beautiful painting, as described by the New York Mail of the 17th ult.; and the Post also has a description of another charming cabinet picture by the same artist, which we subjoin :-

in which, near by, stands a boy holding a hay-rake, of her. who has for the moment paused from his work to look at the moon just rising above the hills in the coast recently, and it is reported to-day that no less background."-News.

On Saturday a fine healthy looking male child, apparently not more than two days old, was found in the porch of Mr. J. H. Scammell's residence, Union Street. It was taken in and cared for until the the Public Hospital .- Freeman.

At the apthe depredations of the Americans on the Fisherics, pointed time a young man named Robie Gardiner appeared. He was at once seized, gagged, blindfolded, bound hand and foot, shaved completely clean, tarred

> NOVA SCOTIA PROSPEROUS. - We have been shown a private letter from a gentleman in Nova Scotia, from which we are premitted to make an interesting extract. He writes :- "Notwithstanding the clamours of some people, I am confident that a general tone of prosperity and contentment pervades our Province. Business has never been better since last summer. A Boston merchant, travelling in the Province, told me a few days ago that for 25 years, during which he has been in the habit of coming to Nova Scotia to make collections in the winter, he has never known the country in so prosperious a condition, and the people better able to meet their payments."- Tel.

STEAMER M. A. Starr will shortly resume her trips between Halifax, Lunenburg, Liverpool and Yarmouth. Improvements have been made in her machinery which it is expected will increase her speed, and she has been put in thorough order. - Yarmouth Herald.

THE MARGARET'S BAY MYSTERY .- Mr. Lowey has recovered sufficiently to say that some persons came this again afterwards, but each effort to speak exhausted him very much. His friends hope he will be

The school-books used in Arichat included Roman from 15 years of age and upward. Judge Gilbert was directed to inquire into this. Mr. Flynn, a member of the Government, refused to permit him to do so, whereupon Mr. Rand was dismissed! A Goverement guilty of such an act ought to be scattered to the four winds. - Tel.

OTTAWA, March 4. - A deputation of members of Commons from the four Provinces waited on Minison Government adoption of National policy looking to protection of industrial interests of the Dominion. Hon. Mr. Rose, at the last session, said if in another year the United States did not consent to reciprocal hope the Police Magistrate will adhere to his deter- free trade, the Dominion Government would adopt a mination to fully carry out the law which aims at different policy towards that country; and the deputation thought the time had now arrived for Government to fulfil that pledge.
