LONDON, July 29.—The popular excitement at the course of the British Government in the present war is very great. The people want preliminary notice given to France that England views with grief and displeasure the intrigue evidence, having for their aim the violation of the independence of Belgium, and will oppose with the whole strength of the nation any attempt to extend the French power on the continent before the war.

The British Government is quietly but actively preparing to meet any emergency. All of the dock yards and arsenals are busy day and night. Supplementary estimates of the Army and Navy are expected.

France to pay Italy a subsidy of six millions of francs."

A want has been felt and expressed by Physicians, for a safe and reliable purgative; such a want is now supplied in "Parsons' Purgative Pills."

Henry K. Bond, of Jefferson, Maine, was cured of spitting of blood, soreness and weakness of the stomach, by the use of "Johnson's Anodyne Lincture."

There is no question but what Pulmonary Disorders are increasing with us. It is estimated that one tenth of the entire deaths is caused by Consumption alone. From this fact we can see how utterly futile former remedies have been to prevent this malady. From the myriads of cases cured by Dr. Wilson's Pulmonary Cherry Balsam, which is unexcelled in the annals of medicine, we believe that in a few years hence Consumption will only be known by its former ravages. Many valuable lives are annually lost which might have been saved if their attention had been only called to this truly valuable remedy.

It is impossible to exaggerate the extraordinary virtues of Dr. Wilson's Family Anti-Bilious Pills, for the treatment of all affections of the Liver or Irregularities of the Bowels. In cases of superabundant bile, these Pills, taken freely, have never known to fail. In Bowel Complaints they are also efficacious, but they would be equally so in smaller doses, for every medicine, which acquires caution when the Bowels are disordered.

We have the best reason for believing that Dr. Dow's Sturgeon Oil Lincture is the best article he ever gave to the public. Many of its cures are indeed wonderful. Horsemen and grooms say, as a Lincture, it has no equal. Scarcely a day passes but we hear some one praising it.

If your horse is exposed while travelling, as frequently is the case, by standing in strange stables, to the French, home and other contagious diseases, the best preventive is Clark's Derby Condition Powders, and for safety you should never be without them.
