ACCIDENT TO A DIVER.—Mr. Stoddard, one of the men in the employ of Mr. Flennic, had a narrow escape on Saturday. He went down in his diving dress to gather up the moorings of the buoy which was carried away by the land slide at Sand Point last year. For some cause he became overpowered and drowsy while at the bottom of the harbor. Those on the scow not receiving the expected signal from below, pulled and shook the line to which he was attached. This aroused him from his lethargy, and he gave the signal to haul up; but the hose which supplied air became twisted and entangled, so that when brought to the surface he was almost completely exhausted, and with every proper restorative applied, he was unable to speak for nearly half an hour. Such are the perils of the diver.—*Globe.*

RIVER DU LOUP RAILWAY.—Mr Ketchum has returned from England, with what result we have as yet failed to discover difinitely. His propositions will be submitted on Monday next.

Of one fact, however, that no little game shall be played off upon them, that their interests shall not be sacrificed either to the St. Stephen ring or any other ring, without their receiving on the subject every warning through the *Reporter* which we can possibly supply. In the mean time it behoves every rate-payer in the county to interest himself in this great undertaking, so that all parties may take due notice that they are not to attempt any humbugging or railway chicanery, or abuse a generosity on the part of this City and County which demands candour and integrity instead of deception and fraud.—*Fredericton Reporter.*

A gentleman afflicted with chronic rheumatism says, "No description of my case can convey the vast amount of benefit I have received from the use of *Johnson's Anodyne Liniment.* I believe it is the best article in the world for rheumatism.

If a horse has a good constitution, and has once been a good horse, no matter how old or how much run down he may be, he can be greatly improved, and in many respects made as good as new, by a liberal use of *Sheridan's Calvary Condition Powders.*

The aperient and mild laxative properties of Dr. Wilson's Anti-Bilious and Preserving Pills are the best safeguard in all cases of eruptions and fever. Their Balsamic, tonic, and healing properties protect the coats of the alimentary passage against the irritant and acrid humor of the bile.

READ THIS CERTIFICATE.

IF YOU DOUBT, WRITE MR. GALER.

WILLIAMSBURG, L. I., 258 Grand St., June 11, 1866.

Messrs. B. L. JUDSON & Co.

GENTS: It is with great pleasure I write these few lines, not only as a recommendation, but as I feel a very great benefit derived from taking your Worm Candy (Dead Shot). I have suffered much for 10 years past, tried many medicines, been under treatment of physicians in this city, but all to no avail. I felt a gnawing sensation in my bowels, sleepless nights, and very nervous. I have now taken about ten sticks, and quite a number of tape worms, one several yards long, has come from me. I continue taking it, feeling quite a new man, my sensations quite different; and I recommend the same to the community at large, feeling confident, from practical experience, it is the best eradicator of worms in use.

Yours most respectfully,
DAVID GALER.

CITY OF BROOKLYN, } ss.
KING'S COUNTY, }

David Galer being duly sworn, deposes and says, that he is the same person described in the above certificate, and that the statement therein made by him is in every respect correct.

DAVID GALER. [L. S.]

Sworn before me on this 12th day of June, 1866.

M'KENZIE'S DEAD SHOT WORM CANDY

for sale by all Medicine dealers, at 15 cents per package.

In numbers there is safety, it is upon this principle that the formula of Johnson's Mountain Herb Pills was prepared. It was not the result of one man's knowledge. Dr. Judson, intending to spend a fortune in advertising his Pills, consulted the most intelligent and learned physicans of the age, and the result was the production of a simple but efficacious medicine the Judson's Mountain Herb Pills. These pills cure Biliousness, Dyspepsia, Liver complaint, Indigestion, Female Irregularities, &c.

How TRUE and how strange, that people should seek relief in the hieroglyphics of a doctor's prescription when they can buy as good, and nine times out of ten a better remedy than most doctors give, for the insignificant sum of 25 cents. We refer to Morse's Indian Root Pills, these pills cure Headache, Liver Complaint, Indigestion, Female Irregularities, and all bilious disorders, they are prepared from a formula pronounced by the most learned Physicians of our country to be the best and most universal of family medicines. Give them a fair trial and you will never be without Morse's Indian Root Pills.

ATROPHY ARRESTED.—FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.—Wasting of the tissues of the body is arrested, the muscles made firm, and the nerves regain their power by using FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.

How few there are who are not subject to some affection of the respiratory organs, who, by neglecting premonitory symptoms aggravate the complaint, until disease strikes its shafts, causing inexpressible torture to the patient, and anxiety and distress to friends. Dr. Wilson's Pulmonary Cherry Balsam has, over and over again, proved the best friend to persons afflicted with these complaints, and cures all such disorders without interfering with the regular diet of the patient, nauseating his stomach, or withdrawing from him the nutritious diet so imperatively demanded when weakened by disease.

Old cases of lameness in horses, generally caused by contracted cords, &c., of long standing, that have pertinaciously refused to yield to any other remedy, have invariably succumbed when thoroughly treated with Dr. Dow's Sturgeon Oil Liniment.

While many of the so called Condition Powders before the community failed, and been discarded, Clark's Derby Condition Powders, from their merits and intrinisic value, are growing in public confidence and everywhere taking the lead.
