INTERCOLONIAL RAILWAY OF CANADA.

Tenders for Iron Bridge Superstructures.

The Commissioners for the construction of the Intercolonial Railway are prepared to receive Tenders for TWENTY ONE SPANS OF IRON BRIDGE SUPER. STRUCTURE, of one hundred feet for each span, and also for sixteen spans of two hundred feet for each span.

Printed specifications showing the tests which each span will be required to bear; information as to the location of the different bridges; and forms of tender, can be obtained at the offices of the Commissioners, or at those of the Chief Engineer, at Ottawa, Canada; or at the Banking House of Messrs. Morton, Rose & Co., Bartholemew Lane, E. C., London, England.

Parties tendering must submit their own plans of the mode in which they propose to construct the Bridges, and must state the price of each span f. o. b., at the place of shipment; and also the price of each span completed in place

Tenders for additional spans of one hundred feet, and for spans of eighty feet will also be received at the same time. Specifications are being prepared and can be had within a few days on application at the places above named. Tenders marked "Tenders for Bridges," and addressed to the Commissioners, at Ottawa, will be recived up to 6 o'clock p. m., of THURSDAY, the 6th day of April, 1871] The Commissioners will not be bound to accept the lowest or any tender.
