Johnson's Anodyne Liniment will give more relief in cases of Chronic Rheumatism, no matter how severe, than any other article known to medical

It is often remarked by strangers visiting our State, that we show a larger proportion of good horses than any other state in the Union. This, we tell them, is owing to two principal reasons ; in the first place, we breed from the very best stock ; and in the second place, our people use Sheridan's Cavalry Condition Powders, which in our judgment are of incalcuable advantage.

A dose of Dr. Wilson's Anti-Bilious and Preserving Pills contains more life-giving properties than any other cathartic pill made. They will act quicky on all diseases of the Stomach, Bowels, and Kidneys, and are especially valuable for those who have to use medicine frequently.

All varieties of Wind-Galls, Chapped Heels, Poll-Evil, Spavins, and Lameness can generally be cured by the proper application of Dr. Dow's Sturgeon Oil Liniment. The use of it causes inflammation rapidly to subside, and the swellings to disapear. It is now used in all Livery Stables throughout the Dominion.

If your horse is suffering from cold or catarrhal fever-symptoms, cough and nasal discharges of a brownish color-the best and surest remedy is Clark's Derby Condition Powders. Farmers and others interested in horses and stock are fast learning the superiority of these Powders over all others.
