FELLOWS?

Syrup of Hypophosphites. A S all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophites, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality

may be sustained in the living body is indeed a boon to

Modern Chemistry has ventilated the question and dis-

covered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients a proper proportions the brain and nervous system are This, then, is substantially the basis on which Fellows? Hypophosphites is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.
Rousing the Sluggish Heart and Liver, strengthening

the action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen. It is adapted for ALL cases of Weakness and Emaciation, whether arising from a sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious Pulmonary Consumption, many confirmed cases having been cured and all benefitted, where its use has continued over a fortnight. In Bronchitis it is a specific, and in Asthma it gives reief where every other remedy fails. For Nervous Debility it stands unrivalled, and may be

As this is entirely distinct and different from every other reparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other. SOLD BY APOTHECARIES. PRICE, \$1.50; SIX FOR \$7.50
