A Sall life-endewed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophites, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to

This, then, is substantially the basis on which Fellows! Hypophosphites is built, its direct action is upon Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body. Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen. It is adapted for ALL cases of Weakness and Emaciation,

in Fulmonary Consumption, many confirmed cases having been cured and all benefitted, where ita use has continued over a fortnight. In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fatls. For Nervous Debility it stands unrivalled, and may be

FELLOWS' COMPOUND

Syrup of Hypophosphites.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are

whether arising from a sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious

used with confidence in all cases, As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.

JAMES I. FELLOWS, Chemist,
