There is no question but what Pulmonary Disorders are increasing with us. It is estimated that one tenth of the entire deaths is caused by Conmption alore. From this fact we can see how utterly futile former remedies have been to prevent this malady. From the myriads of cases cured by panies, at lowest rates. Dr. Wilson's Pulmonary Cherry Balsam which is unprecedented in the annals of medicine, we believe that in a few years hence Consumption will only sured a weekly compensation if disabled by any accident. Life Insurance obtained in the National Life Insurance that in a few years hence Consumption will only be known by its former ravages. Many valuable lives are annually lost which might have been sa- All Companies represented at this Agency have ved if their attention had been only called to this made a deposit in Canada for the security of truly valuable remedy.

It is impossible to exaggerate the extraordinary _aug9
