COMPOUND Syrup of Hypophosphites.

A Sall life-endewed bodies, whether they be Beasts,

Birds, Reptiles, Insects, or even Zoophites, and bjects of the Vegetable Kingdom are governed by vital article for Spring Dresses. Patterns sent by post on force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to

Modern Chemistry has ventilated the question and disovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients n proper proportions the brain and nervous system are

Hypophosphites is built, its direct action is upon the of Vitalized Blood in the Muscular Organs of the Body. Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen. It is adapted for ALL cases of Weakness and Emaciation, whether arising from a sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases aving been cured and all benefitted, where its use has ontinued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails. For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other reparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.
