NO MORTGAGE ON THE FARM. Mary, let's kill the fatted calf and celebrate the

For the dreadful mortgage on the farm at last is

right can be-Let us laugh and sing together, for the dear old farm is free.

Don't all the Yankees celebrate the fourth day of

Because 'twas then that freedom's sun lit up our nation's sky?

Why shouldn't we then celebrate, and this day ne'er forget ?

Where is there any freedom like being out of debt? I've risen many mornings, an hour before the sun, And night has overtaken me before the task was done;

When weary with my labors, 'twas this thought that nerved my arm, Each day of toil will help to pay the mortgage on the farm.

the shore, By taking eggs and butter to the little village store;

And Bessie, our sweet daughter-God bless her loving heart,

The lads that gets her for a wife, must be by nature smart-She's gone without piano, her lonely hours to

To have a hand in paying off the mortgage on the | pealed from a last sleep, from which he could nevcharm,

I'll build a little cottage soon, to make your heart | hand.

I'll buy a good piano, to go with Bessie's voice; down concern, For I'll go this very day and buy the finest patent | my child ?"

churn. Lay up your faided calico, and go with me to she ceased, and I sat overwhelmed, questioning

And get yourself and Bessie a new and shining

Spruce up a little, Mary, there's no mortgage on the lesson of this leaf from her heart I shall never lose.

While our hearts are now so joyful, let us, Mary,

To thank the God in Heaven, for being out of

For he gave the rain and sunshine, and put strength into my arm, And lengthened out the days to see no mortgage

been no more guilty or responsible. It was the act of a passing moment—gone like a flash, but it was ungoverned, blind temper, and the result would be lifelong. This thought was absolutely insupportable. In unavailing penitence I kissed I have got the papers with me, they are right as | the poor, maimed hand of the little unconscious sleeper, literally bathing it with my bitter tears.

"After a time the storm spent itself, and I took up the day's duties again. The little dress I gave away-I never saw it afterwards. I could not have borne the sight. For weeks and months I watched the wounds as they healed, and the deep red of the scar slowly faded. At last it came to be white and distinct, like a thread tight drawn across both sides of the finger. I saw it whenever I saw the baby, at the table, at his play, when he folded his chubby hands in prayer at my knee. That white, still witness of my sin was always before me. It seemed branded upon my heart. At times, when my punishment was greater than I could bear, I implored God in his mercy to permit it to fade out as the child grew in stature.

"My prayer was answered, but not in the way I asked; the scar was not hidden, but changed to And, Mary, you have done your part in rowing to one of the truest blessings of my life by him who maketh even the wrath of man to praise him.

"It has led me each moment of my life with my You did not spend the money in dressing up for | children, since then, to set a-watch at the door of of my heart and lips, and to pray constantly that But sang from morn till evening in your faded each day's record may be such as I shall wish to meet before the great white throne.

"And yet, Kate, I cannot forgive myself for that cruel wound. Often, through the years since, have I bathed it with tears while my boy was sleeping, thanking God that it was sleep only that folded his dear hand so quietly. I feel that I could not survive that accusing witness against me if it aper waken to hear or speak words of love. I trust that I may never live to see the scar on his dead

Low prices for our produce need not give us now | There was only the blessed thought of the "fountain filled with blood" to give rest and peace. The

Perhaps other mothers may likewise need it to soften tones and actions to their little ones amid the manifold cares and perplexities of long-burdened, busy days.—American Messenger.

#### DAVID LIVINGSTONE.

As is well known, he began his travelling experiences as a missionary. It was in the glow of love which Christianity inspires, that he tells us he resolved to devote his life to the allevation of human misery. His first idea was, that he could do most good as a medical missionary in China, but, in consequence of the opium war, he turned his attention to Southern Africa, where the labors of Rev. Robert Moffat, whose daughter he afterwards married, were accomplishing favorable results It was the close of a busy April day. To a mo- among the natives. A thorough theological trainamong the heathen in Africa. Indeed, his constant I closed the sewing machine, and folded the lit- intercourse with savage races, had made him so untle unfinished garments with a tired sigh, and went familiar with his mother tongue, that on his return for a good-night kiss to the children who had just to England he found difficulty in expressing himgone to bed. As each white-robed figure sat up to self with fluency at the public meetings held in his

fraught hours of the long day. Echoes of hasty stone turned to good account the severe training words and sharp tones came remorsefully back to of his simple Scottish home. In early life, while my ears now in this stiller, calmer atmosphere, and working in a cotton factory, he used to place his the gentle voice of One who taught that the "life book on the spinning jenny, so that close attention is more than meat, and the body raiment," sound- enabled him to master its contents in spite of the ed clear above them.
