According to the Dundee (Scotland) Advertiser there are seven or eight peers of the realm who emulate the Apostles in going about to preach the Gospel to the poor. The Earl of Dalhousie preached recently to an audience of over 2000 in the Agricultural Hall, Islington. The discourse was thoroughly simple and practical, and deplored the fact that so many thousand British subjects never enter a church door. A Consolation.—Consumption has been, and can be again, cured by Dr. Wilson's Pulmonary Cherry Balsam. It is the only certain remedy, and no remedy has before been discovered that will certainly cure consumption. The most strongly marked and developed cases of pulmonary consumption have been cured by this wonderful remedy, and are now as well as ever. It is composed of medications which are peculiarly adapted to and essentially necessary for the cure of coughs and consumption. We would advise our readers to remedy indeed.

The stomach is the great centre which influences the health or disease of the system, abused or debilitated by excess. Indigestion, offensive breath, and physical prostration are the natural consequences. Allied to the brain, it is the source of headache, mental depression, and unrefreshing sleep.
