This, then, is substantially the basis on which Fellows' Hypophosphites is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body. Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen. It is adapted for ALL cases of Weakness and Emaciation,
