DEVELOPING THE COAL SEAMS AT THE GRAND LAKE.—The Telegraph says: we are glad to learn that Mr. Tilley is authorized to arrange that some practical explorations may be carried out in connection with the geological survey to be made at Grand Lake by Professor Bailey and Mr. Matthew. Mr. Ferris, M. P. for Queen's, Mr. Burpee, M. P. for Sunbury, Mr. Pickard, M. P. for York, and all the up-river and other New Brunswick members took an interest in that work, and the Government are disposed to go as far as possible to meet their wishes. A sum of \$4000 has been granted by the New Brunswick Legislature to aid the exploration and borings. The Government of Canada will have thorough surveys made, and the scientific conclusions arrived at by their geologists will be tested under their supervision. We look for good results from these united expenditures, and are glad that nothing in the shape of red tape is likely to interfere with their being made.
