The question is often asked us by sufferers from ilmonary disorders "what treatment of my complaints is safest and surest." The unsolicited testimony of thousands who have used Dr. Wilson's Pulmonary Cherry Balsam, point it out as the most effectual of all curative means. The ingredients of which it is compounded are in the highest degree beneficial, very strengthening, and altogether uninjurious. Many of the worst forms of Lung Complaint has been stopped in their course by this invaluable remedy, and many apparently hopeless cases of Consumption have been cured by it.

No other formula combines, in so compact and contracted a form, the active and essential properties of medicine, and is so well adapted to family Pills.
