A CONSOLATION.—Consumption has been, and can be again, cured by Dr. Wilson's Pulmonary Cherry Balsam. It is the only certain remedy, and no remedy has before been discovered that will certainly cure consumption. The most strongly marked and developed cases of pulmonary consumption have been cured by this wonderful remedy, and are now as well as ever. It is composed of medications which are peculiarly adapted to and essentially necessary for the cure of coughs and consumption. We would advise our readers to seek early Dr. Wilson's Balsam. It is a genuine remedy indeed.

The stomach is the great centre which influences the health or disease of the system, abused or debilitated by excess. Indigestion, offensive breath, and physical prostretion are the natural consequences. Allied to the brain, it is the source of headache, mental depression, and unrefreshing sleep. The liver becomes affected, and generates bilious disorders, pains in the side, and the bowels sympathise with costiveness or diarrhœa. Dr. Wilson's Anti-Bilious and Preserving Pills act on the stomach, liver, lungs and bowels, and regulate their operation.
