DEASONS why every Family should possess this Washer:-

1st. The Clothes are washed without the least mjury to the cloth-the work being done by pressing instead of rubbing the cloth.

2d. Much time is saved, as several pieces may be washed at once. You can expend all the labor you choose on the soiled parts, the same as with the board.

3d. It adjusts itself to any thickness of cloth, from a towel to a bedquilt, without change.

4th. The work is done much easier and quite as thoroughly as with the Board.

We could give hundreds of testimonials to corroborate the truth of the above statements; but as experience is better than testimony, you are hereby invited to test its merits by using it two or three weeks (without expense)! We also sell a Superior CLOTHES WRINGER and Bush's Seven Strand Metallic White Wire CLOTHES LINE, which is worthy of your attention, as it is always ready for use, and the clothes never freeze to it in the
