Our stock of Mowing Machines comprise: First—The Wooden Frame Buck-Eye, with or without the Reaper at-

tached. This Machine has proven itself to be the most

popular and best and cheapest in America; and has enjoyed for many years the confidence of the Farming com-

munity; and is well known as the most successful light

two-horse Mower ever known. It cuts a swarth four feet

Secondly-The Iron Frame Mower. This Machine was introduced to meet the demand for a light and cheap Mower. It is made from entirely new pattern, has a tu-

bular iron frame of great strength and simplicity, which is cast in one piece, and dispenses almost entirely with bolts. It has a light cutting apparatus, a three inch knife section, and cuts a swarth four feet.
