EATON'S ACTUAL BUSINESS COMMERCIAL COLLEGE. Ritchie's Building, St. John, N. B.

THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have alredy given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows: It is a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length defective from want or neglect of early opportunities. Every young man, no matter whether he intends to be a MERCHANT, BANKER, FARMER, MECHANIC,

instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste. It is a first-rate story paper. The best tales and ro-mances of current literature are carefully selected and legiacquainted with the uses of commercial paper, and the laws which govern trade, and possess a clear and comprehensive knowledge of bookkeeping, which will enable It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department. It is an independent political paper, belonging to no party, and wearing no collar. It tights for principle, and for the election of the best mcn to office. It especially devotes its energies to the exposure of the great corrup-tions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.
