Of San Francisco we are told that "two three considerations will greatly increase the mperance vote here." Many of the merchants until 3 o'clock. A number of houses and barns re heartily sick of the "treating system," which as prevalled to a disgraceful extent. Then the flooded with water, and many sidewalks were carmmunity wish to save our youth from this vile, | ried away. dangerous practice of drinking. Hundreds and erhaps thousands of votes will be gained to the cause by these considerations, and many believe that, in spite of the combined opposition of those ngaged in the traffic, they will carry the city for No license."

The days of darkness come, and they are many ; at our eye takes in only the first. One wave des another, and the effort to encounter the foreost, withdraws our thought from evils which re pressing on. If we could see them all at once, ve might lie down, like Elijah, under the juniper ree, and say, "It is enough-let me not live !" But patience attains her perfect work, while trials fold. As the eye learns to see in darkness, the nind, by a merciful arrangement, grows accusomed to look calmly on the deepest afflictions, and to appreciate angel-like consolations in them, which comes as to the prophet in the desert, that in the strength of them we may travel on many days to the Mount of God .- Rev. John Kerr.

This is the only Company chartered by Congress ; The Spanish Government has sent a strongly it has a large capital, does business on the Low worded note to Versailles on the subject of Carlist iolations of the frontier. Rate Stock plan, and is eminently successful and prosperous. The business is done at the principal Branch Office in Chicago.

ENGLISH AND FOREIGN.

nformed the Minister of Foreign Affairs that if London, July 22 .- The Lord Mayor gave a ban-France failed to act stringently towards the Carlists a German squadron will be sent to the Spanish quet to-night to Her Majesty's ministers, at the Mansion House.

Mr. Disraeli in answering a toast to the Ministry ures against the Carlists. said, that no one was able to view the state of Europe with complacency. Every one must deplore the anarchical condition of some of the most avored countries of Europe. The friendship of England was never more sought for by the leading powers of Europe and America. England would ise her influence in the interests of peace.

Mr. Disraeli . repudiated the principle that the country was not to be held responsible on the many uestions which might arise abroad affecting the ortunes of the world

He believes the influence of England might now. be most effectively exercised to reconcile discordant and distant interests. She may assist distracted countries with sympathy and counsel, and res-ume a position worthy of her former prestige.
