READY-MADE CLOTHING!—Haberdashery in every line [ni] DANIEL & BOYD. GOSSAMER WATERPROOF CAPE.

THE Manufacturers claim for the above New Style o Cape, the following :—
That they are perfectly WATER-PROOF. That four of them weigh no more than one old style Vater-proof Cape.

That if worn in the rain twenty-four hours, they will not absorb any moisture; while the old style will nearly louble its weight, and not keep the wearer dry, either.

That, when rolled up, they will make a very compact. undle, which can be easily earried in the pocket; while the old style is as large and cumbersome as a woolen

That being so light-weight, and having no warmth, hey are welcomed by all ladies for warm weather use, or throw over a winter cloak in cold weather. That they are not affected by either cold or heat, neither will they become soft and useless with warm, damp That all who have used the Gossamer Capes have exressed themselves perfectly satisfied with them.
That a lady, who has a GOSSAMER in her pocket, can comes before she reaches shelter, with the Cape thrown over her, and the Hood over the bonnet, she is far better
