Dr. Wilson's Anti-Bilious and Preserving Pills recommend themselves to the attention of all sufferers. No injurious consequences can be made in their administration. In indigestion, confirmed dated July 11th, 1874, payable in three months, in favor of the Phonix Mutual Life Insurance Company, as I have dyspepsia, and chronic constipation, the most beneficial effects have been always obtained from the wholesome power exerted in digestion. Persons whose lives were a confirmed series of sufferings, have been restored to ease, strength, and Fish Bone. For sale by perfect health by the use of these admirable pills, after the fruitless trial of all other remedies.
